

# Natural Ice is The Best

THINGS ARTIFICIAL ARE AT BEST BUT A DECEPTIVE IMITATION OF THINGS NATURAL.

Can an impure fountain send forth pure water?  
Our ice is not dependent upon a brewery or saloon for its supply. It is furnished by the God of Nature, Who sends forth the sparkling streams from the mountain side. It is taken from the river above the duck ponds and sawmills, and is the PUREST ICE on THIS MARKET.

# THAT TRIP STARTS SOON

This is the week for the f. r. e. p. tour. A good dinner and a jolly line are assured. The first course will be served at Mr. Humphrey's home and will be one of Germany's famous soups. Guests will then be taken to the Anson home, where the Italians will treat them to Italy's favorite—macaroni. After this course a visit will be paid to R. R. Smith's home, over in the sunrise land, whose inhabitants are said to love chicken pie and its accompaniments even better than the Americans, though some may wish to dispute this. From China the parties will start back west and make a stop in France at Dr. Bacon's home, to be treated to salad and other dainties, in the making of which this country rivals all others. From France the route leads straight back to America and the Odd Fellows' hall. Here the guests will be privileged to relate all the traveler's experiences they wish, and will be added by representatives from foreign lands with foreign songs.

Secure tickets at Silverthorn & Mack's. None will be sold after Wednesday. There are not now many left to be sold. The 75 cent tickets include everything except the carryall fare, which is 5 cents between countries.

### Street Names Nearly Up.

Two or three days will finish the work ordered done by the city council. Messrs. Simmons and Faulkner, who have the contract for putting up the street signs, said this morning that a couple of days will finish their work. They have put up the signs in all that part of town lying north and west of Washington avenue and Sixth street, except that portion across the track. While these signs are little things, they really add to the wide-awake appearance of any town, and very favorably impress strangers who may be driving or walking through the streets.

### A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., N. Y. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Newlin's drug store.
