BABES WILL GO FRIDAY

Standing of the Clubs.

Played	Won	Lost	P. C.
La Grande	15	3	.812
Pendleton	15	8	.467
Walla Walla	16	7	.437
Baker City	15	4	.267

Though Walla Walla won yesterday she was not able to crawl up a peg for the reason that Pendleton, the second place team also took a game yesterday from Baker City by a score of 3 to 2. Pendleton fans have seen two good games in succession and are rapidly being imbued with real fan fever.

After a rest of a few days here, the Babes go to Walla Walla Friday morning to again join the Walla Wallans who left for their home last evening. The series with the Washington town opens on Saturday and continues for four games. When La Grande gets there, it is more than likely that it will face a rejuvenated team, for a general shaking up was predicted by Manager Rogers before he left. The series here has given him a broadside view of the weak spots in his aggregation.

Pendleton closes with Baker City this afternoon. Following the closing there, both teams go to Baker City for a series of four games.

By the way, The Observer can be relied upon to furnish "correct" standings of the clubs.

AROUND THE ROUND HOUSE.

The many thousand dollars that pour into La Grande monthly from O. R. & N. coffers, made their appearance in check form this morning. Agent Keeney disposed of the salaries to the many employes of the O. R. & N. here. Next month's payroll will be materially increased over this one, as all employes have been kept in the harness more regularly this month than last month.

Engineer Fields and Fireman Klinghammer are on the work train that went into Wallowa county this morning.

The round house crew is repairing the slight damages that were incurred by freight engines 369 and 367 in the rear-end collision near Kamela Sunday morning. The damage was light to both engines.

Engine No. 208, one of the new ones that arrived here recently, is doing work train service at Weatherby.

Machinists Osbourne and Hoyt are back at their places in the shops after a visit to Portland.

The large office structure that has recently been moved to the west end of the round house, is to be painted on the interior and made a pleasant home for the enginemen.

A telephone is being installed in the new "dog house" today.

A large "board" is to be installed in the new "dog house." A lifting attachment will be attached so as to raise and lower the large board handily.

Notice to Contractors.

Notice is hereby given that sealed bids will be received up till 4 o'clock p. m. of June 19, 1908, by the district school board of school district No. 1, La Grande, Union county, Oregon, for completing the Fourth ward school building according to plans and specifications on file with the school clerk. Certified check for five per cent of bid must accompany each bid. The board reserves the right to reject any or all bids. Bids to be left with Arthur C. Williams, school clerk.

By order of district school board,
ARTHUR C. WILLIAMS,
J8-19. School Clerk.
