

Natural Ice is The Best

THINGS ARTIFICIAL ARE AT BEST BUT A DECEPTIVE IMITATION OF THINGS NATURAL.

Can an impure fountain send forth pure water? Our ice is not dependent upon a brewery or saloon for its supply. It is furnished by the God of Nature, Who sends forth the sparkling streams from the mountain side. It is taken from the river above the duck ponds and sawmills, and is the PUREST ICE on THIS MARKET.

ITINERARY OF TOUR

The sale of dinner tickets for the Trip Abroad was closed last night and owing to the demand for admission to America at Old Fellows' hall, it has been decided that anyone will be admitted for 25 cents, which price will include the ice cream, cake and coffee. Extensive preparations have been made to make everything delightful and novel in this welcome back to America, and those who cannot take the entire course will find a most enjoyable evening awaiting them. Although this is given by the ladies of the Presbyterian church, it is for all, and they will appreciate the presence of those interested in other churches as well as outsiders and strangers. Do not forget that the tours start from the Presbyterian church at 8:30, 8:50, 9:10, 9:30, 9:50, 10:10 and 10:30. It will not be well for very many to wait for the last sections, as they are limited to 25 each and first come first served is a good adage to remember when a dinner is in question.

The traveler is privileged to narrate experiences and all will be aided by representatives from foreign lands with foreign songs.

DELEGATES TO PAYETTE

Herman Clark, president of the La Grande District Epworth league, and delegates, Misses Lulu Dawson, Hattie McMurray, Blanch Orton and Ethel Redhead, left this morning for Payette to attend the district convention which will be in session until Sunday evening. Rev. C. E. Deal will leave tomorrow, when he is on the program for an address. In all there will be about 75 delegates present. Payette has made extensive preparations to give the visiting delegates a royal welcome.

ADVERTISING FOR FEDERAL BUILDING SITES.

Treasury Department, Office of the Secretary, Washington, D. C., June 5, 1908.

Proposals will be received, to be opened at 2 o'clock p. m., July 18, 1908, for the sale or donation to the United States of a suitable site, centrally and conveniently located, for the federal building to be erected in La Grande, Oregon. A corner lot, of (approximately) 130x135 feet, is required. Each proposal must give the price, the character of foundations obtainable, the proximity to street cars, sewer, gas and water mains, etc., and must be accompanied by a diagram indicating the principal street, the north point, the dimensions and grades of the land, the widths and paving of adjacent streets and alleys, whether the alleys are public or private, and whether or not the city owns land occupied by sidewalks. The vendor must pay all expenses connected with furnishing evidences of title and deeds of conveyance. Improvements on the property must be reserved by the vendor; but pending the commencement of the federal building they may remain on the land upon payment of a reasonable ground rent. The grantor must, however, remove all improvements on thirty days' notice so to do. The right to reject any proposal is reserved. Each proposal must be sealed, marked "Proposal for federal building site at La Grande, Oregon," and mailed to the secretary of the treasury, (supervising architect), Washington, D. C. No special form of proposal is required or provided.

Was Washing Away. "I had been troubled with kidney disease for the last five years," writes Robert R. Watts of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. A. T. Hill.

SATISFACTION ON EVERY HAND

is given by our bottling of beverages for Summer drinking, for use at any season of the year. Danger in a Cold

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Not only pneumonia, but also the infectious diseases such as diphtheria and scarlet fever start with a cold. The cold prepares the system for the reception and development of the germs of these diseases. Take our advice—cure your cold while you can.

Chamberlain's Cough Remedy
