## TRIP ABROAD IS POPULAR

The Trip Abroad last evening was so popular that considerably more than a hundred took the world tour, and all came back satisfied that the ladies of the Presbyterian church had given a novel entertainment. Without a hitch every department of the trip was carefully conducted. Cars ran on schedule throughout, leaving the church at regular intervals, the carry-all was invariably loaded to the gun-wates. Conductors were always on hand to collect the fares. Some of the tourists made the trip in touring cars, while others made the trip afoot.

Unique and characteristic decorations and foodstuffs, designated the various countries visited. Soups were served under a canopy of German flags and German-colored bunting at

the C. M. Humphreys home. The appetite whetted by hot soup, there was some anxiety on the part of the tourists to proceed with the journey. All in due time, the car arrived at the Mrs. Anson home on Fourth street. Macaroni, such as the Italian makes, was served here by waiters properly arrayed in "Dago" garments. Even the Italian organ grinder and his pet bear were to be seen. The cub bear owned by Mr. Vandermeulen frisked about the lawn and cut up capers that convulsed the passersby with laughter. From Italy the trip wound its way to China in the Smith home on Sixth street. Here the substantial viands were dished out to the guests. Scalloped potatoes and chicken pie was served by "Chinks," while a Chinese phonograph "inspired" the hungry travelers.

The banquet was a long one and ended at the Dr. Bacon residence on Third street. Tasty salad and punch refreshed the now well-filled sightseer.

The last lap of the tour ended up in America at the Odd Fellows' hall. The reception committee there was Uncle Sam himself and the Goddess of Liberty. Desserts and coffee filled the

had reported at the American station, a delightful program was rendered to which a large number of the tourists listened.

To the ladies who managed the trips, attended to the serving and planned the decoration schemes, is due considerable compliment.

### GAMES FOR TOMORROW.

Several Baseball Games Scheduled for Sunday Afternoon in the County.

If schedules fall not, there will be several interesting games in the county tomorrow. Union clashes with Cove at Cove, while Wallowa is playing a double header at Elgin; one this afternoon and one tomorrow afternoon. Summerville is to be pitted against the strong Perry aggregation Sunday afternoon.

There were also several games in the county today. The second team from North Powder was guest of honor to the second team of Union today. The Cove nine was also at Union this afternoon with the result that the national pastime has been the chief item of attraction outside of the stock show in that end of the valley today.

Mrs. J. R. Oliver and Mrs. Ernest Lewis of La Grande, came over this evening to spend Saturday and Sunday with Dr. and Mrs. Lynn K. Hakkalo. —Pendleton E. O.

**Was Wasting Away.**  
"I had been troubled with kidney disease for the last five years," writes Robert H. Watts of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. A. T. Hill.

**Better Than Spanking.**  
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
