A telegram received today states that Editor and Mrs. F. B. Currey were in El Paso, Texas, today, and planning on taking a side trip into north Mexico, the border line being close by. This takes them into a country not far from where bandits are carrying on incessant revolutions against the Mexican and American armies. News dispatches today say the warfare is bitter. While not so stated in the telegram it is more than likely that Fred will be sticking around the edges of the smoke if any is to be found in the section of Mexico that he visits.

will make an ascension tomorrow from the ball park, immediately after the ball game. The only price of admission will be a subscription following the ascension. ORINO Laxative Fruit Syrup

Pleasant to take and does not gripe or nauseate
Cures Chronic Constipation, Stomach and Liver Trouble

Stimulation Without Irritation.
ORINO Laxative Fruit Syrup is a new laxative syrup combined with the delicious flavor of fruits, and is very pleasant to take. It will not gripe or sicken. It is much more pleasant and effective than Pills, Tablets and Saline Waters, as it does not derange the Stomach, or irritate the Kidneys, Liver or Bowels.

Constipation.
ORINO Laxative Fruit Syrup will positively cure chronic constipation as it restores the natural action of the intestinal tract. Ordinary cathartics may give temporary relief but the stomach is upset and the bowels are irritated without any permanent benefit having been derived.

The condition of the patient remains unchanged. The Stomach, Liver and Bowels have not been stimulated and in a few days a stronger purgative may have to be taken. This is why Pills and Aperient Waters never give permanent relief. Their violent action results in an unnatural movement of the bowels and it is necessary to keep taking them indefinitely.

Why ORINO is different.
ORINO Laxative Fruit Syrup is the only preparation that really acts upon all of the digestive organs. Other preparations act upon the lower bowel only and do not touch the Liver. It can very readily be seen that a preparation that does not act upon all of the digestive organs

can not cure Chronic Constipation, Torpid Liver, Indigestion, Sour Stomach, etc.

For Billiousness and Sick Headache.
Take ORINO Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs.

Clears the Complexion.
ORINO Laxative Fruit Syrup stimulates the liver and thoroughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Refuse substitutes.

OUR GUARANTEE Take ORINO Laxative Fruit Syrup and if you are not satisfied your money will be refunded.
