PLENTY HELP IN COVE NOW

Advices from Cove say that at present there is a sufficient number of cherry pickers to meet the demand. Just what the conditions will be when the crop harvest is in full swing, is hard to tell at this time, but if pickers keep swarming into that district as fast as they have of late, there will be no cry for more men. In fact, several of the growers have been forced to turn help away during the last few days.

As the end of the month approaches the time draws near when what is undoubtedly the most bountiful harvest in the history of Union county, will be harvested. A run of warm weather will have many varieties of cherries ripe by the 15th or 20th of the coming month. Growers expect to see harvest of the crop in full swing by the middle of the month at the very latest.

PENDLETON PETS GO HOME

The temporary schedule by which La Grande was to be given professional baseball on July 4th, in connection with the other features of the celebration, have been knocked sideways. The Pendleton team has returned to its fold after completing on series here yesterday and to all indications La Grande will go to Baker City if it keeps anywhere this week. Pendleton, Walla Walla and Baker City decreed that La Grande shall leave town for the next series, hence an open date here.

In accordance with this schedule the Pendleton Pets left last evening for Pendleton for, if the schedule is carried out, they will meet Walla Walla this week.

A Notre Dame Lady's Appeal.
 To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, headache pains in the kidneys or neuralgic pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers free. You cure yourself at home as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. Summers, Box R, Notre Dame, Ind.

Better Than Spanking.
 Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in the way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
