Cove, June 29.—(Special.)—It required 10 innings to decide the contest here yesterday afternoon between Cove and Summerville. In the last of the tenth, a hit and a home run did the business. The affair is declared to be the best game seen here this year. The visiting team took one from Union Saturday afternoon and almost scored a victory here yesterday. The inland town team has strengthened much of late and is now to be considered one of the strong teams of the valley. Batteries—Cove and Summerville; Union—Gibson; Summerville—Cove and Summerville.

New Bank Open. The Bank of Idaho, succeeding the Capital State bank, which failed last January, was opened today.

### HEARING IS DELAYED.

White and Wilson Will Defend Murderer Moore in Legal Battle. Union, June 29.—(Special.)—Attorneys Samuel White of Baker City, and Frank Wilson of Union, will fight the legal battles of James Moore in his fight for his life on the murder charge which will be filed against him. The preliminary hearing set for this afternoon occasioned some delay on account of the attorneys in the case not reaching here on time. District Attorney Ivanhoe is in Union today and has conferred with witnesses who are acquainted with facts existing prior to the shooting.

### BOYS GO CAMPING.

Will Drive to Beaver Meadows and Pack to the Lakes.

"Reine" Heidenreich and the Williamson boys, Joe and Lowell, started this morning for the Grande Ronde lakes, to be gone—as long as the grub holds out. That ought to be some days, for they had a lot of stuff, more grub than bedding, in fact, but they are all three healthy lads with corresponding appetites, and their friends expect to see them back in town before the end of the week. They will drive across to Beaver Meadows and

expect to pack their stuff in to the lakes from there. They have a rifle and expect to slaughter quite a number of pine squirrels.

### CUPID'S BUSY MONTH.

Month of Brides Was This Year Worth of the Name.

At least two score and two hearts were pierced by Cupid's darts prior to and during the month of June, now about at an end. The little blind god may be on a still hunt for more game, and it is very possible that he may add to his June record before tomorrow evening, but up to date just 21 couples have appeared before County Clerk Gilham and asked for papers which should permit the solemnization of the marriage contract. The first couple were Charles P. Dye and Bess J. Fisher, the last A. M. Evanson and Bertha E. Derringer. Mr. Evanson and Mrs. Derringer were married yesterday by Justice Hough.

### Pastime Program.

The films at the Pastime this change are very good, and somewhat longer than usual. The "Exciting Honeymoon" is truly so—for the old groom. The "Lightning Sketch Artist" is clever with his pencil; the robber who is robbed goes to prison in a sack; and the views of Spain are instructive. The songs are clever, and as a whole the program is a very pleasing

Baker City Wins Sunday. Baker City Won at Walla Walla yesterday by the score of 6 to 4. That victory has not changed the position of the teams in the percentage table, however, as the miners are still in the cellar. The Baker City team is playing its last game of the series with Walla Walla this afternoon.

## MANY HEAR THE RECITAL

Close to 1600 people heard an organ recital Saturday night that was distinctly high class. In the first place, the organ newly installed in the Latter Day Saints' tabernacle was the subject of much admiration, but when that artist, J. J. McClellan of Salt Lake commenced to extract from the instrument such melodies and tones as but few had ever heard before, the organ itself was forgotten in the rapt attention to the music coming from the monster instrument. If people went to hear voluemes that vibrate solseums they were disappointed. But the performer can bring out sweet tones in masterly style. He is truly in a class by himself as a pipe organist.

sic. The stake choir of nearly 75 voices was a revelation under the leadership of W. K. Davis. Mrs. Lizzie Thomas Edward of Salt Lake, sang in her delightful way and captivated the audience with each number she rendered.

Without a doubt, one of the most pleasing numbers on the program from a local standpoint, was the solo by Mrs. Jay Van Buren of this city. In her pleasing style and her rich voice the singer carried her soprano obligato, assisted by Messrs. Ferrin, Monson, Davis and Bramwell. The rendition was that ever beautiful piece, "Star of Peace." So popular was the rendition that the singer was called out again to sing "Last Night," also accompanied by the quartet. C. P. Ferrin's solos, another local artist, were splendid. All in all, it was a pronounced success, such as is seldom heard in a city of this size.

The L. D. S. band came in for its share of praise during its concert, while the mass of people were being seated. The organization shows careful schooling and much ability.

We are not allowed to know all things.—Horace.

## COUNTY BASE BALL GAMES

### Union Wins at Baker.

Baker City, June 29.—(Special.)—The Union baseball aggregation took as nice a game here yesterday as has been seen locally this year, notwithstanding that it was amateur ball. The local team held the visitors even, but the score at the end of the game was in favor of Union, 3 to 2. Many Union rooters accompanied the team.

### Elgin, 5; Perry, 3.

Elgin, June 28.—(Special.)—Perry lost a snappy game here yesterday afternoon by bum heaves in the fifth. Otherwise the game with the local nine was highly interesting and afforded much entertainment to the fans. The visitors went away much put out with the work of the umpire, Morelock, who at times gave decisions
