# Danger in a Cold

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Not only pneumonia, but also the infectious diseases such as diphtheria and scarlet fever start with a cold. The cold prepares the system for the reception and development of the germs of these diseases. Take our advice—cure your cold while you can.

**Chamberlain's Cough Remedy** by its remarkable cures of colds has become a staple article of trade and commerce. Its promptness is effective; it is reliable. Try it.

NEWLIN DRUG CO.

The best thing you can do with your wad, roll, pile, stockpile or whatever you may call your savings, is to put it where it is sure to grow and be safe while it is growing. The bank is the spot, and our bank is the right one in which to deposit your savings, both for security and good interest. Every man and woman ought to have an independent bank account. Let us show you how money grows when in our keeping.
