WEISER GIVES LINE UP

The official line-up of the Weiser team which comes to La Grande next Tuesday and Wednesday for two exhibition games here with the local professional team for a side bet of \$500, has reached local promoters of the game. It goes without saying that an exhibition between the Inland Empire league leaders and the Weiser team, which is noted for its long string of victories in several states, will be a splendid one. Already there is some worry about seats to accommodate the crowd.

Weiser has many backers here who are willing to let money talk, and there are many fans in La Grande with money who will stand by the Babes through thick and thin.

This arrangement of games has long been wanted, as Weiser's coastings have come to local fans repeatedly, and this game will give all a chance to match the prowess of the two teams.

The line-up of the Weiser team will be as follows:

Head, ss; Rochon, 2b; Harper, 3b; Meats, c; Elwell, 1b; Patterson, cf; Higgins, rf; Pellen, lf; Hinricks, p; Coleman, p; Maloney, p; Isaacs, utility.

VETS ELECT OFFICERS

Union will be the next meeting place of the Eastern Oregon Old Veterans' association, according to action taken last evening by the members of the order who held their annual reunion in this city yesterday. Aside from selecting that city as the place of the next reunion, the old soldiers elected the following officers for the association. President A. J. Goodbrod of Union; vice-president, John Reeves, Union; secretary-treasurer, S. M. Purcell, Union; chaplain, John R. Oliver, La Grande.

The campfire at the army headquarters last evening was a very enjoyable affair. Old soldiers related experiences of the past, and all minds turned reminiscent for the time being. The meeting and last event on the program for G. A. R. day came to an end with singing of old and familiar songs in which the ladies present helped.

NEW ELGIN SCHEDULE

Commencing next Monday morning there will be a new schedule in effect on the Elgin train. There will be but one passenger train each way, thereafter, and that train alone will carry baggage, mail and express. The leaving time will remain the same as it is now, at 8 o'clock, and it will return at 5:30.

The logging train will leave shortly after 1 o'clock, and return about 3 o'clock in the evening.

This change from the regular schedule now in effect was occasioned by the refusal of the Pacific Express company to supply two messengers. Express from Wallawa county did not reach Elgin in time to connect with the first train to La Grande, and the last train in does not carry messengers. Hence, express was held over until the next day. The new arrangement of affairs will let Wallawa express connect with the afternoon train.

Notice.
To My Friends and Patrons:
Having sold my stock of hardware etc., to Messrs. Lilly and Foster, who will continue in the same line of business, and at the same place. Mr. Lilly having been associated with me

for the past six years, I take pleasure in recommending the new firm to my many friends and patrons and trust that you will find business with them as pleasant as our business relations have always been. I will be found at the store during the month of July, and will be pleased to have as many of my friends call and settle their accounts as possible during the month. Thanking you for the many favors shown me, I remain,
Very respectfully,
MRS. T. N. MURPHY.

It Can't Be Beat.
The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For stomach, liver and kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right: it's the best of all medicines also for weakness, lame back, and all run down conditions. Best, too, for chills and malaria. Sold under guarantee at the Newlin Drug store. 50c.

Danger in a Cold

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Not only pneumonia, but also the infectious diseases such as diphtheria and scarlet fever start with a cold. The cold prepares the system for the reception and development of the germs of these diseases. Take our advice—cure your cold while you can.

Chamberlain's Cough Remedy

by its remarkable cures of colds has become a staple article of trade and commerce. It is prompt; it is effective; it is reliable. Try it.
