SERIES OPENS WITH BAKER

Zimmerman opened the game for La Grande today in the first of the four-game series with the Baker Nuggets. Chiders was held at the pan by reason of his clever showing yesterday. Fournier is rapidly rounding into good health again and may possibly play in the garden tomorrow. This will mean a bracing up of the swatting department.

Baker City arrived this morning and will pitch their tents to stay until after Sunday.

NORTH BANK COMPETITION.

Much Needed Transportation Facilities Assured Garden City.

It is believed that Walla Walla is soon to be given a daylight train to Portland over the Northern Pacific and North Bank roads, as N. P. officials of this city are today comparing possible schedules of trains of the two roads. At the same time a daylight train to Seattle and Spokane will be made possible for Walla Walla residents, and the long delay in Pasco will practically be done away with, relates the Bulletin.

With the completion of the large bridge of the North Bank across the Willamette river at Portland, trains will be inaugurated on that road between Pasco and Portland. It is expected that this bridge will be ready for use about the last of this month, and it is probable that by the first of August the daylight train from Walla Walla will be inaugurated.

In order to do this, two trains each day between Walla Walla and Pasco will be necessary. A train that would make the daylight ride to Portland possible would have to run out of Walla Walla in the morning, leaving here in time to reach Pasco by 11 o'clock. But if this train could be run out of Walla Walla in time to reach Pasco at 9:25 in the morning, connection could be made with trains for Seattle and Spokane, as well as the train on the North Bank for Portland.

TIMES ARE GOOD.

Eastern Oregon Counties Prosperous in Presidential Year.

In spite of the hard times bugaboo, trade throughout the Inland Empire, and we speak more especially of Wallawa, Union, Baker, Grant, Harney and Malheur counties, is steadily improving, and the general tone of business is even better than that of last year. Merchants are buying freely and traveling men are well satisfied with their orders. All through eastern Oregon the interior buyers are purchasing what they need and very few are hesitating to get in what they want for the summer. The grocery trade, say the wholesalers, is full ylegal to that of last year, and collections, although slow, are coming in and no uneasiness is felt.

It is not the Bible in your pocket but the Bible in your practice that will make you better.

Grafting
is a dead issue. So says Dr. H. C. Parker of the Indiana School of Medicine, in Collier's Weekly. We concur with him. Blue Mountain Cough Syrup will cure your cough, not as pleasant to take as some others, but it contains the ingredients that will positively and absolutely cure that cough.
