to deep garden where he soon broke the scoring machine, Umpire Tice stepped in and spoiled every chance La Grande might have had to either tie the score or better it yesterday afternoon. City tast time there came from time to time, rumors of "rotten" umpire decisions. Fandom here credited it all right, but it was not until yesterbe said that it is the general consen-

a ball or strike right, but it is seldom.

What claims he holds as an umpire is

times, yesterday, he gave costly de-

cisions that recked with rankness,

With the score board slowly but

surely assuming a balance after Ba-

ker City had pushed five men over

the pan after an awful clout cranival

in which Zimmerman was relegated

and was decent. But that was only two thriving commonwealths, in the last half of the ninth. By assembling hits in a beautiful manner. Baker City tinkled the pan five times grandstand to its feet and time again with remarkable and spectacular

middle and right garden, but the right morning feeling fine. In most of the out the rest of the contest.

Van Horst started the pyrotechnics the very next inning there was a swat and Zimmerman each got home runs Walla Bulletin. in rapid succession.

About this time Tice got in his good work as umpire. He displayed ignorday afternoon that it was brought be- ance of baseball rules that was appal- there is an abundance of pure, sparkfore the rooters with awful vividness, ling, and a shame. He crimped Lo-If the admission is any credit, let it dell's score and he called Cotteman feet below the surface. Why not have out in the eighth inning when the aftesian city water? sus of opinion among the fans and runner was nowhere near being bugs that Tice tries to be honest, but touched. A hundred eyes saw the he doesn't know enough baseball to act and when Tice gave his decision, be alive, nor has he an eye. Once in indignation ran rife. Special police a while he makes a mistake and gets saved the umpire's hide.

When the last of the ninth was fin ished the fans went home highly sattoo deep for solution. Twice, yes, three isfled with the work of most of the boys who played a good game throughout, but many a fan took a vow that Tice would not manipulate the indicator today, and he didn't. To be defeated, is in the baseball business, but C. Williams, rooms 1 and 2, southwest to be handicapped with an individual who gives every indication of being buggy handing down decisions right and left that are decidedly off, leaves a bad taste in the mouths of fans which is not soon washed out.

Pipes Divide States.

Twenty hollow iron tubes eight feet in length and four inches in diameter. having a copper cap on one end bearing the legend: "Washington-Idaho boundary line. United States geological survey; \$250 fine for disturbing this mark," was a part of the O. R. & N. express transfer at the O. R. & of Elgin, Oregon, who, on March 5th, dleton East Oregonian.

ary has been in dispute for years. Owing to the fact that the old monbeen torn down or had decayed, the lose a strip of territory two miles in scher, of Eigin, Ore. width and about 30 miles in length north of Lewiston.

However, the old line was re-established and the boundary will re-

When his work became so unbearable main where it was first located, but to (approximately) 130x135 feet, is rethat the bleachers were about to rub obviate any future discussions these quired. Each proposal must give the his nose in the convenient mud hole, Iron tubes will be sunk into the soil price, the character of foundations obhe ceased his plainly one-sided work to mark the dividing line between the tainable, the proximity to street cars

Camp in Back Yard.

Gone camping yet? Not in the in the third session. Cotteman went mountains, but right here in town— the land, the widths and paving of to the pivot at this time and Zim- Just sort of bring the mountains to merman dropped back to his regular the town and all that sort of thing, the alleys are public or private, and position, where he soon brought the Most people in Walla Walla have, and that is the reason why so many contented-looking business men are seen pay all expenses connected with furon the streets every day. They sleep nishing evidences of title and deeds of A general shift took place in the out-doors at night and get up in the was still weak, remaining so through. Yards of the city are to be found tents, and in some of the yards there of the federal building they may re are two or three tents up, and every main on the land upon payment of a for La Grande with his home run fol- one of them are put into use at reasonable ground rent. The grantor lowing Cotteman's two-sacker. Then night, Walla Wallans have the "sleepthe score commenced to climb. In ing out of doors" habit and the physicians say it is doing them (the Walla When La Grande was in Baker party of no small means, for Childers Wallans) a world of good.-Walla

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup alds digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary catharties. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.
