La Grande has employed a real live booster and will enter the Eugene class in matters of publicity. The idea is good.

A. Y. P. EXPOSITION NOTES. The Pacific Coast Advertising Men's association will meet at the A. Y. P. exposition some time the latter part of June, 1908.

The permanent fence enclosing the A. Y. P. exposition is nearing completion and in a short time a small admission fee will be charged to visitors.

The landscaping of the grounds of the A. Y. P. exposition has been begun and the site is beginning to take on the appearance it will have in 1909.

Airship races will be one of the many attractions at the A. Y. P. fair. The New York Aero club is taking great interest in the matter.

The official flower of the A. Y. P. exposition has been definitely selected. It is the Cactus Dahlia, a flower which grows profusely around Puget sound.

The United States government will spend \$600,000 for its building and exhibits at the A. Y. P. fair. A main government building and structures for Alaska, Hawaii, the Philippines and the fisheries industry will be erected.

In addition to the prizes offered by the management of the Alaska-Yukon-Pacific exposition for the poultry

show which will be held during the latter part of the fair, many valuable cups have been donated by persons throughout the country.

Many national associations are planning to hold their 1909 meetings at the A. Y. P. exposition. The handsome buildings and interesting exhibits of the \$10,000,000 world's fair, combined with the unsurpassed scenery and climate of Seattle makes the metropolis of the Pacific northwest an ideal convention city.

The management of the Alaska-Yukon-Pacific exposition is already taking steps to provide against extortion of visitors while in Seattle to see the big fair during the summer of 1909. Seattle easily took care of about 200,000 during the stay of the Atlantic fleet and at no time during the exposition period will there be as many visitors in the city at once.

News Forecast for Coming Week.

Washington, D. C., July 11.—There promises to be no dearth of big news events the coming week, either in the home or foreign fields. The Olympic games abroad will attract keen attention on this side of the water, while at home there will be a multitude of big conventions and other events to interest public attention.

Tomorrow's presidential election in the republic of Panama promises to result in the choice of Senor Obaldia, the candidate of the independent party. A large force of United States marine has been distributed over the little republic to prevent threatened disorders at the polls.

King Edward will formally open the great Olympic stadium in Shepherd's Bush Monday. The games will begin next day, and from then until July 25, the greatest aggregation of athletes the world has ever seen will struggle for the mastery.

During the week the officers and men of the American battleship fleet will be entertained on a magnificent scale at Honolulu.

Commissioners representing the United States and France will meet in Paris to discuss the proposed new commercial arrangement between the two countries.

Canada will be interested in the completion of the preparations for the Quebec Ter-Centenary celebration and the departure from England of the notables who are coming to take part in the program of festivities.

The week promises to be one of comparative inactivity for the presidential candidates of the two leading parties, though conferences will be numerous and the plans for the real work of the campaign will be put in shape.

At Columbus, O., the prohibitionists will meet in national convention Wednesday to adopt a platform and name candidates for president and vice-president. A number of names have been suggested for the head of the ticket and the ultimate selection is problematical.

Two big reunions, one north and one south, will attract attention during the week. In St. Paul the Nobles of the Mystic Shrine will hold forth, while at Dallas thousands of members of the order of Elks will gather for their annual national convention. Another gathering of interest, though of smaller proportions, will be the annual session of the Jewish Chautauqua assembly at Buffalo.

Bishop McQuaid's 40th Anniversary.

Rochester, N. Y., July 11.—Owing to the state of Bishop McQuaid's health there will be no elaborate celebration tomorrow of the 40th anniversary of his consecration to the episcopate. Bishop McQuaid is now in his 83rd years and is the oldest member of the Roman Catholic hierarchy in America. On the occasion of the recent visit to Rochester of Cardinal Leger the venerable bishop overtaxed his strength and has not been well since. Owing to his advanced years his condition is regarded as somewhat critical. Bishop McQuaid is the first Roman Catholic bishop of this city, having been consecrated July 12, 1868. He has held pastorates in New Jersey and for a time was rector of Newark cathedral. He is the founder of Seton Hall college and seminary, and for 19 years was its president.

Lawn Social.

Next Wednesday evening the ladies of the Methodist church will give a lawn social at the home of Mr. and Mrs. G. C. Osburn. Manufactured and home-made ice cream and cake will be served, for which a charge of 15 cents will be made. 7-10-15.

A Mother Testifies

This is to certify that my daughter was down for almost one year with a cold. The doctors finally pronounced it consumption. We had given up hope for her recovery. I was given a sample bottle of Foley's Honey and Tar. I gave it all to her in about three hours. It stopped the cough, and gave her rest. I sent next day and bought a 50c. bottle and began giving it. In three month's time she was well. There can not be too much said in favor of Foley's Honey and Tar. It saved my child's life. Mrs. George Batson, Fountain Grove, Mo.
