MANY HERE FROM BAKER

Headed by the White Swan band, close to 200 enthusiastic rooters came in from Baker City yesterday to see the last game of the Inland Empire league in this city. They were a jolly lot and kept the game noisy. At no time was there any danger of drowning out local noise machines, however. The game yesterday came the nearest to being a football affair—from a rooter's standpoint—of anything this season. The gate receipts also show a record attendance.

Following the game the visitors took possession of the streets and did some parading, though local fans broke the bubble in time to prevent a protracted demonstration.

Hot Time for Elks.

Dallas, Texas, July 13.—Elks' week in Dallas began this morning with a rush, although today's program is only preliminary to the big features to come. The grand lodge will meet tomorrow and continue its sessions for three days. Plans have been made for feeding 40,000 at tomorrow's great Mexican dinner.

The Ladies' Aid of the Presbyterian church, will meet with Mrs. J. B. Stoddard on Wednesday afternoon at 2:30. All ladies of the church and congregation are cordially invited to come and bring their sewing.

Mr. and Mrs. Fred Geibel returned Sunday morning from Spokane, where Mr. Geibel was engaged in placing his orders for fall goods with eastern representatives.

W. H. Ricks is in Baker City on business matters.

J. D. Heldenreich is preparing to visit the John Day country on a tour of inspection.

Mr. and Mrs. S. F. Newhardt have returned to Portland after spending a few weeks with their Grande Ronde friends. Mr. Newhardt stated prior to his departure that if La Grande would give another celebration next year, he would try to be present.

Moyer Not a Candidate.

Denver, Col., July 13.—Charles H. Moyer, president of the Western Federation of Miners, announces that he will not be a candidate for re-election at the convention of the union in Denver this week. It has been alleged that William D. Haywood, former secretary of the federation, will be a candidate to succeed Moyer. From present indications, this convention will not be as large nor important as that of last year, which was the biggest in the history of the organization since it was launched in 1893.

It Can't Be Beat.

The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For stomach, liver and kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right: it's the best of all medicines also for weakness, lame back, and all run down conditions. Best, too, for chills and malaria. Sold under guarantee at the Newlin drug store. 50c.

Danger in a Cold

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Not only pneumonia, but also the infectious diseases such as diphtheria and scarlet fever start with a cold. The cold prepares the system for the reception and development of the germs of these diseases. Take our advice—cure your cold while you can.

Chamberlain's Cough Remedy
by its remarkable cures of colds has become a staple article of trade and commerce. Its promptness is effective; it is reliable. Try it.
