PLAYERS ARE LEAVING HERE

La Grande's professional baseball players are already scattering to other points of the compass, since the post-season series with Baker City has been dropped as impractical. The first to leave were Shortstop Houston and Catcher Fournier, both popular

players of the team before it disbanded. La Grande had an aggregation that has called for much comment from other points in the Pacific northwest and as soon as the league broke up practically every one of them had been signed elsewhere. Captain Al Lodell leaves tomorrow for Portland, from where he goes to Vancouver of the Tri-City league. Pitcher Bill Cotteman is going to the Frakes team of the same league. Pitcher Fuchell and Third Baseman Wallace Childers have signed up with Wallace, Idaho, and leave soon for their team club. Fournier may play with Vancouver if his health permits, otherwise he goes to

his home in Aberdeen. Center Fielder Zimmerman has signed up with Warner, where Beck is now playing. Arthur Van Horst who has hovered over second base while with the Babes, is going back to St. Louis and will probably play ball there the rest of the season. He has several propositions under consideration. La Grande had a bunch of ball tossers to be proud of, and the clean winning of the pennant is due to the fact that throughout the season there has been a constancy in the line-up that was far more noticeable than in any other league. Every player of the La Grande team will make good in any club of the class in which they have played thus far, and next year will see some of them advanced a peg or two.

BAKER WINS LAST GAME

WHITE SWAN BAND ENTERTAINS FANS. Last Game of the Season Goes to Baker City by Close Score—La Grande Game Until the Ninth Inning When Visitors Nose Out Victory.

Baker City won from the La Grande Babes yesterday in one of the most exciting games of the season. It was nobody's game until the end. The rooters were pretty evenly divided and excitement ran high. In the first inning La Grande made two runs and in the fifth one, while Baker scored one in the fourth and one in the fifth. The score stood 3 to 2 in favor of La Grande until the first of the ninth, when Baker made three runs. Nelson and Gregg both pitched good ball. While eight errors for La Grande and three for Baker tells the tale. McGinnis umpired and was simply awful on balls and strikes. He also failed to call two balks made by Gregg. The Baker City rooters certainly showed the right spirit for baseball and deserve great credit for coming in such a crowd.

The Baker City band played a number of pieces at the park, which were greatly appreciated by the crowd, while "How Dry I Am" made the hit of the day.

To look at the crowd at the game yesterday made one think what a shame La Grande and Baker could not finish out the season when so much enthusiasm was shown.

The La Grande boys were a nice, clean bunch of players and the fans hate to see them leave.

MORRISON CASE IN OCTOBER.

Court Sets Date When Noted Morrison Escheating Case Comes Up.

The State of Oregon vs. the Morrison estate, case, which borders on sensationalism, was taken up this afternoon by Circuit Judge Knowles and the date of trial set for the first day of the October term of court. In this case the state is trying to escheat the extensive holdings of the estate of William Morrison. Many local people are interested in this case.

Amateur Ball.

Elgin, July 13.—Elgin and Wallowa concluded a series of two games yesterday at Wallowa. Saturday's game was won by Wallowa, 13-10, and yesterday the game went to Elgin. Score 5-2.

Union, July 12.—Yesterday's game with Huntington was won by the visitors, 2-2. The Union team was somewhat broken up and consequently not up to its usual form.

Baker City, July 13.—The fast team from Cove, down in Union county, met defeat here yesterday at the hands of the local amateurs, score 5-5.

Divorce Case on. The circuit court this afternoon heard arguments in the Dray vs. Dray divorce case. Attorneys Cochran & Cochran appear for the plaintiff and C. H. Finn for the defendant. The case is still on trial.

SHORT DELAY IN LIGHTING

LIGHTS MADE HIT LAST SATURDAY NIGHT.

Insufficient Material at Hand Means That There Will Be a Delay in Maintaining the New Lighting System. Which Made Favorable Impression Saturday Night—Material to Come From Portland.

Manager Fred Housh, of the Grande Ronde Electric company, finds that he has not all the necessary material on hand to put up the street illuminations, and it will be a few days yet before the work can be taken up.

The matter of completing the fund will be taken up systematically today, and there is no doubt that within a day or two the electric company will be given sufficient guarantee of the permanent value of the contract for this extra lighting to justify the expense of installation, which will be quite heavy. Of the value of the lights there is no doubt, for there were hundreds of people on the streets Saturday evening that do not ordinarily come down town after dark, and on every side were heard appreciative expressions. From a business viewpoint the increased attractiveness of the streets is bound to result in a gain of dollars and cents to the merchants.

STANDING OF THE CLUBS

INLAND EMPIRE LEAGUE.

Standing of the Clubs.

Played	Won	Lost	P. C.	
La Grande	21	20	11	.645
Walla Walla	20	13	15	.500
Baker City	21	14	17	.452
Pendleton	22	13	19	.419

Though Baker City made a valiant spurt at the finish, she could not overtake the second place team, Walla Walla, of the Inland Empire league. She won two straight from La Grande and pushed herself to a point less than 50 behind the Garden City artists. Pendleton finished in the cellar—the best she could do. La Grande completes the season a winner by 45 points. Walla Walla gained second place some time ago and has been in serious danger of losing even that coveted place.

At Pendleton the Walla Wallans and the Pets disbanded last evening. The Saturday afternoon game went to Walla Walla by a score of 12 to 6, while the last game was Pendleton's without half trying. The score yesterday was 5 to 0.
