### COVE WINS.

Ragged Game on Local Grounds Yesterday—Cherry Pickers Win Easily.

The much heralded game between Elgin and Cove occurred yesterday on the local grounds. The even 1000 spectators had lots of fun, and the contingent from Cove was especially joyful, for the game was decided after the second inning—or was it the third when the nine blue uniforms romped around the diamond? The Elgin rooters were much in evidence during their half of the first, for twice the bell was rung as they trotted out at the end of the inning. Considerable money changed hands on the result, for Elgin enthusiasts were well supplied, and seemed not at all averse to giving odds. By winning, Cove came out more than \$300 ahead.

The playing of the Elgin team was extremely ragged and amateurish, and even the spectators from Cove were disappointed with the game, expecting at least a close game. Errors were plentiful on both sides, but it seemed at times that Elgin had forgotten even the rudiments of the game. Jack O'Brien, as was expected in La Grande, was the man selected by Sheriff Childers to officiate, and his work gave entire satisfaction. Jack is there with the eye right enough, and not much happened that he did not see. One fellow cut first about six feet when he thought Jack had his attention riveted on second, but after reaching third he found himself out. One other runner cut a base, but as the players did not see it, there was nothing said. But it is safe to say that his Umps knew what was going on.

### Amateurs vs. Cove.

The local Amateurs, alias "Boosters," will line up against Cove here next Sunday. Each team has won a game from the other, but each claims not to have played the regular men on those occasions, and a good game is expected, especially as the Amateurs have been strengthened very much by the consent of Siegrist, Williams, Gamble and several others of La Grande's best amateur talent to play.

### Eminent Surgeon Here.

Dr. E. A. J. MacKenzie, the eminent Portland surgeon, paid an over Sunday visit to his friends, Drs. Hall and Bacon, returning to Portland last night. Yesterday, accompanied by Jay Van Buren, whose car was used for the trip, Dr. Hall, Dr. Bacon and J. M. Berry, he took an auto ride over the valley, and returned much impressed with our resources, natural advantages, and with the size of the valley, which he had not before appreciated. Over at Cove, according to Dr. Bacon, the party saw the finest cherries in the world, of which they ate as many as possible. At the Grande Ronde hospital yesterday the professional side of Dr. MacKenzie came to the front, and he performed a most delicate and successful operation upon Mrs. Knutson, a patient.

### A Grand Family Medicine.

### Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or grip and is mild and pleasant to take. A. T. Hill, druggist.
