DO NOT KNOW WHAT CAUSES SICKNESS

Modern People Have Many Names for Same Diseases, According to New Belief.

Does human health depend on one organ alone? This question is becoming widely discussed since L. T. Cooper first advanced his theory that the stomach is the true seat of life and all health dependent upon it.

Mr. Cooper, who has met with remarkable success in the sale of his new medicine, believes that the stomach is responsible for most sickness, and that this organ is weak in the present generation. While discussing this theory recently, he said: "I am asked time and again to tell why my medicine has made such a record wherever I have introduced it. My answer always is, 'because it restores the stomach to a normal condition.' No one will deny that today there are more half-sick men and women than ever before. Nothing critical seems to be the matter with them. They are just half-sick most of the time. They don't know really what is the matter with them. I have talked with thousands during the past two years, and few knew indeed what their trouble was. One said nervousness, another said kidney trouble, another liver complaint, some constipation, or heart trouble, or lung trouble. Many had treated, as they called it, for most of these diseases at different times. A very common complaint is 'all run down,' or 'tired all the time,' or 'no appetite.'"

"I know positively that every bit of this chronic ill health is caused by stomach trouble, and nothing else. My New Discovery puts the stomach in sound condition in about six weeks. Mighty few people can be sick with a

sound digestion. That is why my medicine is selling at such a tremendous rate. I have convinced many thousands of people that these things are so, and the number is growing by leaps and bounds."

Among more recent converts to Mr. Cooper's beliefs is Mr. Edgar L. Hinds, living at 6 Tappan Street, Everett, Mass. Mr. Hinds has this to say on the subject:

"I have suffered with stomach trouble for eight years. I was not sick enough to be in bed, but just felt bad all the time. My greatest trouble was that I always felt tired, would get up in the morning feeling as tired as when I went to bed.

"I had a very irregular appetite, and was troubled with dizzy spells. If I stood for any length of time, I would have a dull pain in the lower part of my back. I was nervous and felt all the time as though something terrible was going to happen. I tried many kinds of medicine, but nothing ever helped me.

"I had about given up all hope of ever being in good health again, when I heard so much of Cooper and decided to try his medicine. I took one bottle of his New Discovery and was greatly surprised at the result. I gained 13 pounds in a few weeks. I can now eat anything I wish, and feel like a new man. I cheerfully recommend this medicine to all sufferers from stomach trouble."

It is worth anyone's time, who is not enjoying good health, to learn of Mr. Cooper's wonderful preparations. We are selling them in large quantities.—A. T. Hill.

PLEASED WITH VISIT.

The Governor Enthusiastic Over Reception Accorded Him.

Before leaving for Portland Saturday evening Governor Chamberlain expressed himself as being greatly pleased with his visit to eastern Oregon, and especially with the cordial reception given him by the officials and citizens of this city. Although he came only upon legal business, Mr. Chamberlain readily agreed to make a short address in the evening before the time of departure of his train. He spoke but a short time, but in the few minutes at his command he paid graceful tribute to the beauties and resources of the Grande Ronde valley, and to the enthusiasm and loyalty of the citizens of La Grande.

The governor was taken for a short automobile tour of the district surrounding the town by Mayor Hall, and returned just in time to fill his appointment to speak. Several hundred citizens crowded around the automobile used as a rostrum, and the governor's remarks elicited enthusiastic applause.

Section Foreman Gone Wrong.

A. C. Pearce, the alleged get rich quick artist, who operated as section foreman of the O. R. & N. at Umatilla, was given a double dose in Judge Gilliland's court yesterday morning, says the Pendleton Tribune. Pearce had been arrested the day before, and his bonds fixed at \$250, which sum he put up in cash. Yesterday morning at 10 o'clock the preliminary hearing was called and Pearce, upon learning that the same bond would suffice, waived his preliminary hearing and was bound over to the grand jury in the sum of \$250 as bail.

Scarcely had Pearce left the judge's office when it was learned that he had instructed the railroad company to send his check to Huntington. This looked suspicious and a second information was filed and a new warrant issued. Upon being arrested for the second time and brought before the magistrate he waived all proceedings and was held in \$250 bail. This money he drew from his pocket and tossed it toward the officials.

It was about the limit and the defendant was allowed to go his own way under that amount of bail. The prosecution believes that they have a clear case against Pearce.

Pendleton Federal Building.

All of the 14 proffered sites for a federal building in Pendleton are good, but some are better than others. What Pendleton wants is a site which will be nearest the center of the business district, and which will serve the greatest number of people. It is not for a day nor a year, but this convenience is for all time to come and no mistake should be made.—East Oregonian.
