Calendar for July 1908 showing days of the week and dates.

Those who formerly lived in the thunder and lightning districts of the east, remarked that the sample we had this morning was a suggestion of what was an annual occurrence "back in the states."

La Grande was favored with a refreshing shower about 9 o'clock this morning. It was sufficient to refresh the asper beds, but did not spread out into the valley to do any damage to the hay, which is down.

Senator Fulton open the political campaign for Mr. Taft in Portland last night. Fulton is very close to Taft, and has been asked to speak in his behalf in several of the eastern states during the campaign.

Everything from this time on will be subject to August 11, the date of the big circus. Barnum & Bailey did an immense business the last time they were here.

DOINGS OF COUNTY COURT

F. C. BRAMWELL, Register.

One field of barley north of Pendleton yielded 50 bushels per acre. The average around there is 40 bushels.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it.

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms and conditions, as attested by the writings of leading teachers and practitioners of all the several schools of medical practice, have been skillfully and harmoniously combined in Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.
