### WOMEN AT DENVER CONVENTION

There were two women delegates in the national democratic convention in Denver. Mrs. Mary C. C. Bradford of Colorado and Mrs. Edith Haywood of Utah. Mrs. Bradford is a descendant of the Virginia Carrolls. Though she is described as a domestic woman and when interviewed by a reporter was found dusting the furniture, nevertheless she is also prominent in Colorado politics. At the state democratic convention she was the first delegate elected to the national convention, and was enthusiastically applauded. She is a grandmother and an ardent suffragist.

Mrs. K. M. Cook of Colorado, was one of the alternates.

Among the Utah alternates was Mrs. Sarah Ventress. Mrs. Harriett R. Hood, one of the alternates from Wyoming, is spoken of as a petite, womanly woman. She was born in Vermont and is a strong champion of woman's rights.

Conspicuous among the visitors were the wives and daughters of many of the distinguished delegates from all over the United States and the social functions arranged by the Jane Jefferson club and other Denver women were many and elegant.

### AS TO JACK O'BRIEN.

Surely the La Grande baseball fans are not so foolish as to let the beefing one, Jack O'Brien, manage the team for their next season if they have enough energy to organize one and then show some backbone and stay in the league.—Baker City Herald.

Well, brother, Jack is not quite so bad as he is painted. And as nearly as we can learn, he had a right to do quite a lot of "beefing." Now, honestly, what do you really think about it? He gave La Grande, and incidentally eastern Oregon, the best team ever in any Inland Empire league.

### Esperanto Gains Converts.

Chautauqua, N. Y., July 21.—The second day of the National Esperanto congress, the new organization devoted to the propagation of Dr. Zamenhof's universal language, Esperanto, was marked by a largely increased attendance. The morning was devoted to instruction. Addresses will be made this afternoon by Dr. D. O. S. Lowell and other leaders in the movement. An Esperanto reading will be held this evening.

It is stated that there are now about 50,000 persons in the United States able to write, read and speak Esperanto, and that the new language is rapidly gaining thousands of new converts. Many prominent men and women are now included in the list of Esperanto adherents. Officials of practically all international organizations and movements have recommended the study of the language, in order that correspondence may be carried on between men of different nations in Esperanto. The socialists, it is said, are especially active in spreading the Esperanto propaganda.

Commercial houses employing traveling men in foreign countries are also said to be adopting Esperanto. Leaders in the movement are highly enthusiastic and declare that Esperanto will soon become a truly universal language in all that the name implies.

Willamette Valley Chautauqua Assembly, Gladstone Park, Oregon, July 7th to 19th, inclusive.

For the above occasion the Oregon Railroad & Navigation Co. will sail from all points on their lines to Portland and return at one and one-third fare on the certificate plan, provided 50 or more paying passengers who have paid 50c or more, are in attendance.

Certificates to be signed by H. E. Cross, secretary of the assembly, at Gladstone Park, Ore., on or before July 21st, 1908. Tickets may be sold on any of the three days prior to, or on the opening day.

Gladstone park is located 12 miles south of Portland and can readily be reached by electric lines out of Portland.
