JOSIE PALMER MUST GO.

Causes Riotion in Hilgard, Whose Citizens Are Tired of Her.

When Josie Palmer was fined on the 16th, for being drunk and disorderly and released afterward, instead of being sent to Salem to serve out the seven-year sentence imposed upon her last summer, she promised District Attorney Ivanhoe that she would leave the state within a week. The week is not quite up, but the woman is in Hilgard, and according to the stories brought down from there by reliable men, she is a continual source of annoyance and trouble. Only last evening she was on the streets of the town, they say, swearing and black-guarding, making herself such a decided nuisance that the citizens are determined to put up no more with her. Some of them are in town today to see Mr. Ivanhoe regarding the matter, and they are very much in earnest.

She Must Leave the State.
District Attorney Ivanhoe, when asked about the matter, said: "On the day that McFarlane was fined I told the Palmer woman how long it would take her to leave the state, and she replied that she could get ready within a week. In the presence of the court and Constable Faulk I told her that if I learned of her being in the state, on any pretext whatever, after the week was ended, I would immediately apply to have her parole revoked, and that she would surely be sent to Salem." As it stands now, with the people of Hilgard up in arms, and the officials determined that she shall cause no more trouble here, it is up to Mrs. Josie Palmer to leave. In other words, "it's her move."

HOW TO KILL YOUR TOWN.
Go to other towns and buy your goods.
Denounce your merchants because they make a profit on their goods.
Make your own town out a very bad place, and stab it every chance you get.
Refuse to unite in any scheme for the betterment of the material interests of the people.

Send your money to a mail order house before you see the goods you purchase from it, then ask your local merchant for from 60 to 90 days' credit, on your small purchases from him.

Keep every cent you get, and don't do anything of a public nature unless you can make something out of it directly.

When you say anything of your town say it in such a way that it will leave the impression that you have no faith in it.

Patronize outside newspapers to the exclusion of your own, and then denounce your home paper for not being as large as the city papers.—Exchange.

More Dignified.
"Good night, you precious lamb!" said the mother, with the liberty one sometimes takes, even with one's son, at bedtime.
"Mother," said the small boy, beseechingly, "if you must call me something, wouldn't you just as soon call me a billy-goat?"

A Notre Dame Lady's Appeal.
To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers free. You cure yourself at home as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. Summers, Box R, Notre Dame, Ind.

Stimulation Without Irritation.
In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orins Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or grip and is mild and pleasant to take. A. T. Hill, druggist.

Sure Cure for Asthma.
We guarantee to cure asthma, bronchitis and catarrh. If our medicine fails we will cheerfully refund all money paid. Write Arnold's Asthma Cure Co., 222-224-226 Arcade Building, Seattle, Wash., or for next 20 days, Morris W. Knight, Cove, Ore. Box 32.

Notice.

To My Friends and Patrons:
Having sold my stock of hardware etc., to Messrs. Lilly and Foster, who will continue in the same line of business, and at the same place, Mr. Lilly having been associated with me for the past six years, I take pleasure in recommending the new firm to my many friends and patrons and trust that you will find business with them as pleasant as our business relations have always been. I will be found at the store during the month of July, and will be pleased to have as many of my friends call and settle their accounts as possible during the month.
Thanking you for the many favors shown me, I remain,
Very respectfully,
MRS. T. N. MURPHY.
