TOO BAD! TOO BAD!

Baker Will Get the Pennant After All, Even if She Plays Alone.

In conversation with Manager Hoiler it would appear that baseball matters were in rather a chaotic condition in Baker City, says the Democrat. With the breaking up of the league by the La Grande team playing quitters and the Walls Walls team following, it was thought that the Pendleton team would see the season through, but the disbanding of the Pendleton team now leaves Baker alone in the field. Manager Hoiler has made arrangements for a series of games with the Boise team and today will know whether it will be possible to arrange for a series of games with the Boise team for four games here, to be followed by four games at Boise, and those to be followed by four games in Baker and to close with four games in Boise. It is the credit of the Baker boys that they are in the game for all there is in it and are ready to meet all comers. When La Grande dropped out the disintegration of the league took place, this is as they did six years ago. It is the history of La Grande sports to be the fly in the ointment that spoils the efficiency of its savor.

What's the matter with the Democrat, anyway? Was Jack O'Brien, the awfully awful, "snappy" to the sporting editor? You must have an awful grouch, brother.

ANOTHER FINE.

Ed Fowler Pays \$5 for Carelessness of Driver of Dray.

Late yesterday afternoon, while the team belonging to one of Ed Fowler's drays, was standing unhitched in front of the Smith garage, Dr. Mollitor drove up in front of the team and they became frightened at the auto. The driver of the team, Will Fuller, though not expecting his team to have cause to run away, had failed to lock the wheels of the wagon as required by ordinance when a team is not tied, was able only to grasp the line or bridle rein of the horse nearest him, and pulled the frightened animals onto the cement walk alongside Adcock & Fritts' furniture store. At the corner either the wagon or the breaststake hit the telephone post and the team was stopped. No damage was done to either wagon or horses. This morning Mr. Fowler appeared for Fuller, pleaded guilty to the charge, and paid a fine of \$5. The officials are determined to break up what has become a general practice of leaving teams insecurely fastened.

La Grande went dry June 1, but it was proven over one year ago that there is an abundance of pure, sparkling artesian water in less than 1000 feet below the surface. Why not have artesian city water?
