PICNIC TOMORROW.

L. D. S. Young People Will Spend the Day Merrymaking.

Tomorrow morning, bright and early, the young people of the Mormon church, and a lot of the old ones, will play that they are youngsters for the day and betake themselves and an abundance of picnic comestibles to the Carbine grove near the Proebstel bridge, and there spend the day in merrymaking. There will, in addition to the dinner, be some speeches, speaking and singing. Swings will be provided for those who like that form of seclusion, and there is sunshine and shade. The affair will come to an end when the dancers wend homeward in the wee sma' hours of Saturday morning. The dance will be held at the old meeting house in the evening.

Circus Full of Fun.

If a good laugh is better than medicine a visit to the Barnum & Bailey greatest show on earth is as beneficial as three weeks in a pure food sanitarium, for there are more laughs to be enjoyed in the three hours the performance lasts than usually come to a man in a lifetime.

There are 60 clowns ever on the lookout for mischief and not one of them has to resort to the worn-out methods used in other circuses to move the audience to laughter. Beside the American contingent of merry men there is a company of Europeans buffoons, each with his own and original box of tricks. There is no resisting them. The most abject "sore-head" becomes hilariously good-humored in their presence.

A funny ship stunt, the exploding automobile, the North Pole expedition, Paderewsky and the barber, the trip to Mars and scores of other laughable specialties keep the audience in constant fits of merriment. The Barnum & Bailey show has always taken the lead in its original and superior methods of clowning as well as in the other features of circus entertainment. This season it has more and better clowns than ever.

JOSIE PALMER EN ROUTE.

Took Passage This Morning for Idaho—Had Better Not Return.

Josie Palmer, the notorious Josie, who has been the cause of the death of two men, one in La Grande several years ago, and one in California, and over whose head at this time stands a seven year sentence in the Oregon penitentiary, out on parole, left this morning for Idaho, with the distinct understanding that should she return to the state, steps would be taken to have her parole waived, and she would be taken to Salem. We hope that the climate of our sister state will reform this misdirected, misspent life, and what appears to be our gain will also result in her gain.

At the Pastime.

At this popular amusement place tonight you will laugh at the stage fright of the super who makes his debut, and when the convicts escape you may forget that you are looking only at pictures. There are three long films, each with three sets of pictures, and some of them are funny. Mr. Davis will sing, "There is Room For Us All in the Trolley," and "My Carolina Lady."

Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Trim Your Trees.

Property owners having trees, the branches of which extend over the sidewalk and streets are hereby ordered to trim them. They will not obstruct the walk. Limbs should be trimmed off to a height of not less than seven feet from the sidewalk.

River Ice Takes the Lead

Scores of people have demonstrated beyond all doubt that the natural ice handled by V. E. Bean is the purest and most durable ice on the market. For further evidence ask the numerous patrons in all parts of the city.

Cheapest Fuel

The wise man foreseeth the evil and buyeth a carload of Bean's chain wood in time to season for winter use. The foolish pass on, and are punished by paying seven to nine dollars per cord next winter. Dry wood, bigger loads for less money, and put into your woodsheds.
