### A HAPPY PARTY.

Several Little Girls Thoroughly Enjoyed Yesterday.

There are some little girls of this town who had a good time yesterday, and don't you forget it. Their good time began long before they went to bed Thursday night, for, you know, half our good times—and our bad ones—come from anticipation. The little girls whose yesterday was particularly enjoyable were, first of all (for wasn't she the one most concerned?) little Ruth Ackles, daughter of Mr. and Mrs. Neri Ackles. Ruth lives on a farm, and she counts it an especial pleasure to visit grandma, Mrs. George Ackles, in town. Well, Ruth was a guest at grandma's this week, and yesterday several of her most intimate friends were invited to come and spend the afternoon with her, from half past three to five. They came, all of them. There were Lily Suydam, Beulah Ellsworth, Dora Thorne, Lena Gibson, Mamie and Madeline Secrist, Stella Crabb, Furr and Lela Sampson. And didn't they have a perfectly splendid time? At five o'clock they were served with a three-course luncheon; at 5:30 they were taken for a drive around the city, and best of all, before returning home, Mrs. Ackles took them in a body, (a happy, giggling, giggling little body) to Mr. Ritter's gallery, and they had their pictures, or rather their picture, taken. And each little girl is to have one, and Ruth's grandma is to have one. Don't you think she deserves it, girls? And somebody else is to have one—but we shan't tell.

### PREPARING FOR HARVEST.

Farmers Getting Ready to Gather in the Sheaves.  
From the amount of work being turned out by the La Grande Iron works, it is evident that the Union county farmers do not contemplate a crop failure by any means. Mr. Fitzgerald has a force of mechanics busy rebuilding and repairing threshing machines and farming implements. The foundry is doing other work. Today four lumber cars for the Wilcox Lumber company were completed, and will be taken to the mill on Ladd creek Monday morning. Yesterday Mr. Fitzgerald purchased 10 tons of machinery, which was burned when the Union Lumber company's planing mill was destroyed. The La Grande Iron works certainly has an air of business and industry.

### Notice of Filing Plans.

Notice is hereby given, that the approved plans of surveys of fractional sections 12, 14, 15, 16, 17 and 18, E½ and NW¼ Section 20, W½ and NE¼ Sec. 21, Townships 6 North, Range 44 E., and all of Township 4 North, Range 41, East Willamette meridian, have been received in this office. The above plans of surveys will be filed on Tuesday, the 15th day of September, 1908, at 9 a. m.

On and after that date this office will receive applications for the entry of lands in said townships.

A. A. ROBERTS, Receiver.

### Piles Cured at Home by New Absorption Method.

If you suffer from bleeding, itching, blind or protruding piles, send me your address, and I will tell you how to cure yourself at home by the new absorption treatment; and will also send some of this home treatment free for trial, with references from your own locality if requested. Immediate relief and permanent reassured. Send no money, but all others of this offer. Write today to Mrs. M. Summers, Box P. Notre Dame, Ind.

### A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., N. Y. "It's a grand family medicine for dyspepsia and liver complications; it cannot be too highly recommended," while for lame back and weak kidneys Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Newlin's drug store.

### Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.
