A BIG HAUL.

Big Firms as Well as Individuals Are Caught in Net-Over Union County

Sults were commenced in the United States court at Portland Saturday to prevent the maintenance of imlawful fencing of public lands. The William Hanley company of Harney co ty had \$2,540 acres of school land en closed. The Pacific Livestock Co. had 23,000 acres and quite a number had reveral thousand acres of the domain under enclosure. Two Union county citizens are included in the list for small tracts. Elljah Oliver and son, Roy, are accused of having a quarter section fenced on Ladd creek, and Ralph Smith about the same number

of acres in Hog valley, near Telocaset.

Superior ability in the fielding de partment won a ragged game from the boosters on the local diamond yesterday afternoon. Cove players showed up strong, and though the local took frequent turns at lining out safeties all fear of defeat vanished from the visiting adepts after the second inning. Is Your Boy or Girl Thin or Nervous?

Parents do not seem to realize the great importance of curing nervousness in their children. They call in a doctor for a cough or a cold, but servousness does not strike them as being serious enough. It is. A thin, nervous child rarely develops into a strong, healthy man or woman. More often nervous conditions become chronic and the child becomes a life-long, delicate, nervous invalid."

You can positively cure nervousness in your child with

This remarkable remedy supplies phosphorus in soluble form to the body, tones and quiets the nerves and brings them to a normal, permanently healthy condition. The first bottle will convince you of the genuine merit of this remedy. Your duty to your child should urge you to try it.
