REV. PHIPPS COMING.

Will Address Sunday School Workers of La Grande Next Thursday.

Rev. Chas. A. Phipps, state field worker for the Associated Sunday Schools, who has just closed a successful convention in Wallowa county, will be in La Grande Thursday evening and there will be a union service held in the Presbyterian church.

Rev. Phipps is no stranger among the Sunday school workers of this line, and there should be a large attendance. He is one of the best in his tance out to hear him.

Sunday school work is receiving much more consideration by all of the churches than was the case a few years ago.

Meyers Makes Improvements.

Harry Meyers has improved the appearance of his barber shop a good deal since Saturday night by the installation of a new marble lavatory, which is really quite a "swell" piece of shop furniture. Bay & Zweifel did the work.

Ball Team Disbanded.

Elgin's amateur baseball club disbanded Monday and have stored the suits away until the 1909 season arrives. The past season has been very successful from every standpoint. The locals have won over half of the games played and after all debt were paid a dividend amount to \$23 was paid each member of the team, and a nest egg of \$30 was laid away for next season. Despite the fact that the boys lost the last and most important game of the season they have played excellent ball for a bunch of amateurs. If the same team can be held together next season they will easily prove the amateur champions of eastern Oregon.—Elgin Recorder.

Waiting for Advice.

Commissioner Litch, while in the city Tuesday, stated that the court had taken no definite action in the location of the court house. Plans for the building will be submitted to the court on the 18th of August. It is probable that the court house will be placed upon the public square as it will probably develop that the court has no right to sell the public square. District Attorney Ivanhoe is investigating the law on the subject and will deliver a written opinion in the near future.—Wallowa Sun.

A Notice Dame Lady's Appeal.

To all suffering sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home-treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers free. You cure yourself at home as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. Summers, Box R, Notre Dame, Ind.

Notice.

To My Friends and Patrons: Having sold my stock of hardware etc., to Messrs. Lilly and Foster, who will continue in the same line of business, and at the same place. Mr. Lilly having been associated with me for the past six years, I take pleasure in recommending the new firm to my many friends and patrons and trust that you will find business with them as pleasant as our business relations have always been. I will be found at the store during the month of July, and will be pleased to have as many of my friends call and settle their accounts as possible during the month. Thanking you for the many favors shown me, I remain,

Very respectfully, MRS. T. N. MURPHY.

La Grande went dry June 1, but it was proven over one year ago that there is an abundance of pure, sparkling artesian water in less than 1000 feet below the surface. Why not have artesian city water?
