**HENRY HEADS DELEGATION**

One of the largest delegations to the Good Roads convention at Portland August 11, will be the eastern Oregon delegation, headed by Judge J. C. Henry of the Union county court. President John Collier is sending out appointments to the prominent men over the county today, and Judge Henry, at the invitation of Mr. Collier, is appointing a delegation also, and the judge will be accompanied by the entire delegation, including the county commissioners, Hon. J. M. Seider and Hon. Benjamin Brown, as well as the county officers and road supervisors at the personal invitation of the judge.

Judge Henry has written the courts of Baker, Umatilla and Wallowa counties, inviting them to join the delegation of this county and swell the eastern Oregon delegation. The great Tom Richardson will have to give this portion of the state the banner for attendance. Of one thing we are certain. The men who go to this convention with Judge Henry will acquire themselves nobly before any representative body in the state, as the counties named have men who know the good roads proposition from beginning to end. Many farmers and fruitgrowers will be on the delegation and the results to the good roads movement will be the most beneficial yet gained.

This good roads movement is not merely a local movement, but a national movement, and the men taking part in the good work will be remembered and blessed by future generations who travel the good roads of our state. Every appointed delegate should attend, the rate made by the railways is one and one-third fare for the round trip. Anyone having business in Portland that week and whose name might be overlooked, should not hesitate to call up the Commercial club and make known that they desire to attend and credentials will be issued—the more the merrier.

**BEST PROGRAM YET.**

Sherwood Presents His Banner Attraction at the Electric.

In a program which Manager Sherwood affirms is the best he has ever produced in this city, "The Blue and the Gray" stands as a peer. While the makeup of the entire program is far above the average, it is not complete without the last number on the program. It is a thrilling war drama. Two boys are cadets together at West Point, but the eventual war comes only after the northerner has fallen in love with his southern chum's sister. The fortunes of war take them apart. Both are promoted, but the Yankee is wounded and captured and taken to the house of his lover. His boyhood chum, now a lieutenant, is carrying dispatches for Lee, is captured and taken to the house where the northerner is recovering from his wounds. Escaping in his former chum's uniform, the rebel gains his liberty. The sick man eventually recovers, is tried for being a traitor and is condemned to death. The outcome of the story is a thriller.
