TWO-MILE CIRCUS TRAIN.

Wonderful Traveling Home of the Barnum and Bailey Show.

When the Barnum and Bailey show is packed away for the night and is speeding on to the next stand of exhibition, it lives on a rolling home nearly two miles long. This wonderful train, divided into five sections, is a Tower of Babel on wheels, an exposition of world wonders and 10 times more wonderful than Noah's ark.

When the show lies spread out over 14 acres of ground, under seas of waving canvas and thousands of flags, it presents the most wonderful sight of modern times. No other show can compare with it in size. As to its variety of charm it holds first place today as it has for 54 years. There is not a city of size in the civilized world where its tents have not been pitched. It would seem that the spirit of its wonderful founder, P. T. Barnum, still animated its management, urging in on from year to year to better and more than any number of ordinary testaments.

This season's company of performers is the pick of European stars. Acts have been selected with a view to novelty and variety. In the dressing rooms 28 languages are spoken, thus giving some idea of the broad selection of talent employed. The parade has been put back in its customary place, but on a plane of magnificence not attempted in the past. The program opens with a new spectacle and the climax of the age in thrilling and dangerous undertakings is presented by the La Raque sisters with their bloodchilling automobile somersault act.

AFTER COVE TEAM.

Wallowa Wants Union County Leaders to Play Three Games.

The Wallowa baseball team is out after leads. The club has a clear title to the championship of Wallowa county, and is now out after Cove. The following challenge is sent out by the Wallowa club's manager:

The Wallowa baseball team hereby challenges the Cove team to a series of three games to decide the championship of Union and Wallowa counties. The Wallowa team is the undefeated champion of Wallowa county and the recent victors of Cove male from the champions of Umatilla county of recent years. These teams will settle the championship of the two counties.

TAKING OUT WASTE.

Carrists Ask Help From Car-Mounted In Roadside Park Address.

Considerable waste was taken out by the city officials this morning and by some of the motorists. It is believed the city will be in full swing. At present most of the carriers have been busy collecting the waste of institutions which such residences must supply the office with. The people should show their appreciation of the service by calling at the office to have instructions or sending the man's left for instructions to the office at once. Another matter which residents should urge on their friends should be to have their street address attached to all incoming mail. This can be done on second place matter very readily, and will facilitate matters at the office immensely.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatsoever region, name or nature. It is also a specific remedy for all such chronic and especially obdurate cases of catarrh of long standing as of catarrh of the bladder and their resultant, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Quercin's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Hartshorn, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennington Med. College, Chicago; Prof. John M. King, M. D., of Cincinnati; Prof. John A. Souther, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. One of the reasons for its success is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients, mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or grip and is mild and pleasant to take. A. F. Hill, druggist.
