CARNIVAL ATTACHED

The Golden West Carnival company which closed its doors in this city last Saturday night, became tangled in the meshes of the law before it got away to Baker City, its next destination. The legal troubles arose over failure on the part of the manager to pay a \$3.20 bill at the La Grande Iron works for some iron tent stakes. When asked to pay the trifling sum, the manager accused one of his employees of ordering the stakes without the manager's sanction, hence the reticency in paying the bill. Manager Fitzgerald saw the futility of trying to coax the payment, and late Saturday night had the company attached. The large tent was left standing by request of the law, while the other tents were torn down that night. In the interim the managers were attempting to secure the officers of the law, in the form of Constable I. W. Faulk, but that individual would stand for no "bullying" and held the tent. At midnight last night, the manager notified Mr. Faulk that the bill would be paid. The transaction took place in the dead of night. The cost of attachment and other fees amounted to \$17.

Wheat Selling Rapidly.
There was a large lot of wheat sold yesterday in Pendleton, some of the sales not being intended for the public. The highest realized is believed to be 77 cents, though it was intimated that one lot sold for 78, says a Pendleton paper. There is much rivalry between certain buyers which accounts for the high figure reached and the "letting go." Seventy-five cents, even, is a good price for wheat, and many farmers argue that to hold for more than that figure is a species of gambling. The outlook for a still higher price, ultimately, is good, but to hold for an advance is taking a chance at the gaming table.

Long Horseback Trip.
With two saddle horses, a pack horse and a full assortment of camping supplies, Mr. and Mrs. Mark Moorhouse will leave next Tuesday for a long journey on horseback. From Pendleton they will go to Wenaha, from there to Meacham, then to Folsom mountains, Starkey Prairie, Beaver creek, Grande Ronde river, Lehman Springs, Meadow creek and to the head of McKay. From that point they will return home. Mr. and Mrs. Moorhouse expect to be gone several weeks. They will spend the spare time hunting and fishing.—Pendleton Tribune.

INTEREST IN LAND OPENING.
Unsurveyed Tract in Wallowa County to Be Distributed Next Month.

Much interest centers, locally, in the unsurveyed township and fractions of other townships that will be thrown open to entry on September 15, in the land office in this city. The principal township is 4 north 41, and contains much land that is suitable for timber and stone and homestead entries. The land will not be thrown open to settlement, but a plat of the tracts will be placed on file on September 15, and then applications of all kinds will be received. It is said that the land is covered with squatters, who have 90 days' preference rights on homestead claims, but have no privilege on timber and stone applications.

L. L. Mann of Umatilla county has two combines running that cut 40 acres a day each.

Notice.
To My Friends and Patrons:
Having sold my stock of hardware etc., to Messrs. Lilly and Foster, who will continue in the same line of business, and at the same place, Mr. Lilly having been associated with me for the past six years, I take pleasure in recommending the new firm to my many friends and patrons and trust that you will find business with them as pleasant as our business relations have always been. I will be found at the store during the month of July, and will be pleased to have as many of my friends call and settle their accounts as possible during the month. Thanking you for the many favors shown me, I remain,
Very respectfully,
MRS. T. N. MURPHY.

River Ice Takes the Lead

Scores of people have demonstrated beyond all doubt that the natural ice handled by V. E. Bean is the purest and most durable ice on the market. For further evidence ask the numerous patrons in all parts of the city.

Cheapest Fuel

The wise man foreseeth the evil and buyeth a carload of Bean's chain wood in time to season for winter use. The foolish pass on, and are punished by paying seven to nine dollars per cord next winter. Dry wood, bigger loads for less money, and put into your woodsheds.
