CIRCUS HAS NEW PARADE.

Barnum & Bailey Shows Revive Street Spectacle.

The Barnum & Bailey greatest show on earth, has again established a parade as a part of each morning's program. It will present on the day of its visit to La Grande a street spectacle different and far superior to those of the past. It is three times the length of its predecessors and represents 10 times the capital invested.

The elimination of the parade was deemed advisable some years ago in view of the policy of the management never to repeat itself, and there being at that time a scarcity of new attractions throughout the world worthy of a place in the Barnum & Bailey spectacle. The agents of the show, stationed in every country in the world, were instructed to keep an eye open for novelties; artists, designers, property builders and mechanics were set to work at the foreign workshops of the company at Stock and Trent, England, the aim in view being to create and build a spectacle and costume it and people it with the best and most novel features the world could supply.

The fruit of those labors and the expenditure of fortunes is found in this season's parade. It has not the slightest resemblance to other parades. It excels anything ever attempted in its beauty and its variety.

The tapestry and throne rugs used were woven in Persia and Turkey, the costumes were made in France, the laces, scarfs, flags and banners are from the looms of China and the animal dens and wagons were made in Germany. The parade employs about 1500 men, women and children, 700 horses, a host of camels and nearly all the elephants in captivity.

UNION WANTS IN.

About Three Hundred Unionites Want to Go on Excursion Sunday.

The management of the Conductor's excursion for next Sunday, is facing a peculiar dilemma. Last evening the management received a telegram from Union stating that there were 300 people in that city who wanted to go to the Looking Glass park with the excursion and that Union would guarantee 100 passengers if a special train would be run to that place. The conductors are anxious to accommodate Union in this matter, but are reticent in doing so lest they leave people on the La Grande platform. Then again, they do not wish to refuse the Union request and then be folled by not having their trains loaded when they leave with La Grande people.

No definite action has been taken by the conductors as yet, in fact may not be until Saturday, when the advance sale of tickets will show approximately how many are going from this city.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Excellent Health Advice.
Mrs. M. M. Davison of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Newlin's drug store, 36c.
