BALLOON ASCENSION.

Prof. Hicks Studying Condition at the Looking Glass.

Prof. Hicks, who made several ascensions in his balloon here recently and who almost broke his neck in attempt to make an ascent at Baker City, visited the Looking Glass country yesterday to decide whether or not he could make an ascension there next Sunday for the benefit of the tourists. No decision has been announced, but it is not likely that he fancies alighting on tree tops which are prevalent in that section of Oregon. However, Hicks' nerve is sufficient to warrant most any kind of an attempt.

Later—Hicks will make the ascent at 5 o'clock Sunday.

Pearson to Invade Canada.

London, Aug. 7.—It is stated on good authority that C. Arthur Pearson, the London newspaper and magazine magnate, who owns a string of newspapers in England, and has decided to invade Canada. He will establish newspapers in several of the larger cities of the dominion, and if successful, may enter the newspaper field in the United States.

Mail at Window Sunday.

Next Sunday morning the postoffice patrons who are now in the free delivery zone, can secure their mail at the regular Sunday postoffice hours by calling at the carrier's window.

AT THE PLAYHOUSES.

AT THE SCENIC.

More Seating Capacity Provided for Popular Show Shop.

Business at the Scenic has been so rushing that the manager, Gardiner, has found it necessary to provide 50 additional chairs in order that his audience may be comfortably seated. The additional seats will be placed in position this afternoon and will be ready for this evening's performance. By special request the two headliners will be shown again this evening. They are the "Nocturnal Thieves" and the "Fat Baby." Both of these numbers were such favorites that numerous requests were made for their reproduction. The two new features, "Wouldn't That Tire You" and "Oh, What Lungs Are Both Good Ones." There is enough comedy to make a sick man laugh. They are fun-producers and no mistake.

This evening Miss Gertie Pike and Mr. Bean will sing a duet. This will be one of the strong features of the entertainment.

AT THE SHERWOOD.

Warm Evenings Have No Effect at This Recreation Palace.

Patrons of the Sherwood Electric theater are not slow to note the perfection of the ventilation system and arrangements of the electric fans. The warm weather causes no trouble there. The program this week is all that could be asked and many find that a single visit is not sufficient and the same faces can be seen each evening. The program must be a good one or this would not be true. The "Rag Picker's Daughter" seems to be the favorite and well it might be. The situations are startling, but not improbable, and the heart interest is sufficient to create a continuous interest. The songs by Mr. Williams are up to the standard and the applause is frequent and appreciative.

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or grip and is mild and pleasant to take. A. T. Hill, druggist.
