

BRICK IS CHEAPER

Brick building, at the present price of lumber, is cheaper as well as better. It has been demonstrated that my brick is superior to any made in Oregon. I can furnish common brick in any quantity. No order too large or too small to receive prompt attention. Correspondence with contractors and builders solicited. Estimates cheerfully furnished. Prices made known on application.

OFF FOR THE BIG CIRCUS

The Barnum & Bailey Greatest Show on Earth will arrive in La Grande early tomorrow morning on its five long trains and pitch its 14 acres of tents. The first section, bearing the hotel outfit, is expected shortly after midnight.

The first event of interest tomorrow morning will be the newly established parade, on a grander scale than ever before given, three times as long and 10 times as costly. The parade will leave the show grounds at 10 o'clock and pass over the usual route. In it alone will be seen 1500 people, 700 horses and hundreds of strange animals displayed in open dens. The parade was built in Europe and has been described in cities where the show has appeared this season as the finest ever seen and something entirely different from the usual.

The program under the big tent will be one of great novelty, presented by European talent new to America. There is a new and brilliant spectacle to begin the bill and a world of novelties to follow it. The trained animal features are the best ever presented in this country and the new thriller, "Autos that Pass in the Air," is the most thrilling and startling act ever seen in any age.

The managerie this season is unusually attractive, presenting many new specimens never before exhibited here. The entire show is in new dress, the tents and properties are all new and the equipment presents a most attractive appearance. During the opening engagement at the Madison Square Garden, New York city, its vast improvement was the subject of much comment. The engagement there was the most successful of any ever held in the garden.

Many visitors have already arrived in the city awaiting the coming of the show and the two performances tomorrow will probably be played to capacity. The Barnum & Bailey circus has always been looked upon as the greatest in the world and probably will be so considered. Those who wish to avoid the rush at the ticket wagons can buy reserved seats and admissions all day tomorrow at regular prices at Silverthorn & Mack's drug store.

To make a man happy, love him. To make a woman happy, let her love you.

AT THE PLAYHOUSES.

Three Features.

The Sherwood Electric announces a strong bill for the week opening. Chief among the three features is "For the Sake of a Crown." This attraction is a top-notch. With it as the feature, are the "Spirit of '76" and "The New Maid." All of these are good pieces. Mr. Ferrin hopes to be able to again take charge of the singing tonight. The "Astrakhan Fisheries" are not repeated, but different from those seen recently.

"Across the Plains."

Crossing the plains in '49, with all its harrowing incidents, is pictured by moving pictures at the Scenic this time. The proprietor, Mr. Gardinier, announces this as one of the strongest films he has yet produced. The story relates of a family headed for the Golden West, but is overtaken by Indians and all but a girl are killed or wounded. The father revives and reaches the camp of Kit Carson, where he fully recovers. The eventual escape of the girl from the Indians is thrilling. Two comic attractions are included in the show and both are good, say those who have been them in advance.

A beautiful woman is rarely clever, because there is no need of it.

The Height of the Season.

The Central reports cherry shipments at the top notch this week, an average of a car a day going out over the line. Up to Wednesday the record had been broken, six cars having been shipped for the week up to that time. This is especially gratifying, as the outlook for the sale of cherries earlier in the season was not encouraging.—Union Republican.

Stimulation Without Irritation. In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them.
