**CLUB MET LAST NIGHT**

Because of Walter M. Pierce's inability to be present at the board meeting in the Commercial club, the irrigation question was not dealt with to any great extent last evening. There were no other important matters to come up either, and the meeting was entirely devoted to routine business. In the absence of President Collier, Vice-President George Falmer occupied the chair.  
Mr. Pierce was to have been there last evening to explain in detail the outline of his irrigation schemes, which were promulgated last fall, but pressing business matters needing his attention on the Pierce ranch stood between him and the club rooms.

**Meet This Week Again.**  
The club will meet either Thursday or Friday evening to again take up the irrigation problem and at that time Mr. Pierce will be present. The club also extends an invitation to any one interested in the irrigation question to attend the meeting, and to express opinions on the momentous proposition.

**I. C. S. Social.**  
Invitations are being sent out for a social gathering of the students of the International Correspondence schools August 19, at the L. D. S. amusement hall, corner Fourth street and 17th avenue. The intention is to get all of the La Grande students together for mutual acquaintance and social and intellectual communion. The idea is original with the La Grande students, yet some of the representatives of the schools will be in attendance, and their display outfit will be on exhibition. In addition to this each student is requested to bring one drawing or written lesson. These will be arranged for exhibition by the committee on decoration, and will be returned to the student at the close of the evening. It is expected that each student will invite a lady friend or an interested gentleman friend, except, of course, that each lady student is at liberty to invite a gentleman friend, the friend may be a member of the student's own family or of some other family. The intention has been to send an invitation to each student, but owing to the difficulty of getting a complete list, and to the fact that new names are constantly being added, it may be that some will be overlooked, but it is expected that each student will feel free to attend, whether they get a direct invitation or not. There will be a short educational and musical program, and light refreshments.

**Socialist Ministers.**  
Old Orchard Beach, Me., Aug. 11.—A New England Conference of the Christian Socialist Fellowship was commenced today on the camp meeting grounds here, with many clerical disciples of Marx in attendance. The Rev. Dr. John D. Long, of the fashionable Parkside Presbyterian church, Brooklyn, is the leader in the movement for organizing the socialist clergy. Dr. Long states that since March, when he undertook the work of organizing the socialist ministers of the country, his list of those at least sympathetic with the movement has grown until he has now approximately 1500 names. He expects by Labor day, when, with the names signed to it, the Ministers' Manifesto will be given to the press, to have at least 2000 signatures for publication.  
Secretary Long states that the Fellowship is now represented in 25 states and territories. The manifesto has been signed by men in 18 Protestant denominations and one rabbi.
