SHOW TRAIN DELAYED

Walla Walla was cheated out of a parade and perhaps this afternoon's performance of the Barnum & Bailey circus. The last section to leave La Grande last night was delayed at Meacham for many hours this morning and was not able to proceed on its way to Walla Walla until after 8:30 this morning. Due to the spreading of the rails, Engine 267, which headed the last section of the circus train, was ditched, though without injury to anyone. That section left La Grande shortly after midnight and occasioned a delay which is costly to the company, as the big tent and all the actors' paraphernalia was on that train.

Number 6 Delayed.
No. 6, eastbound, encountered the wreck and was held at Meacham until after the engine had been straightened up. The passenger train arrived in La Grande at 10:20, thereby occasioning delay to the Elgin passenger train as well.

By extra speed the last section may have reached Walla Walla in time to allow a late afternoon performance.

UNION MAN HURT.

Falls From a Third-Story Window in Baker City Hotel.

Early Tuesday morning B. F. Plaster, who lately came here from Union to take charge of the Columbia cafe in the Columbia hotel building near the O. R. & N. depot, walked out of a third story window on the north side of the hotel, relates the Baker City Herald.

He alighted on his feet but fell over and cut a severe gash in his head. The general shake-up was severe and he was immediately taken to St. Francis hospital, where he is resting comfortably today.

How Plaster ever happened to do such a thing is a mystery. He gives no explanation of the strange act himself and there are those who are close to him who cannot say positively how it happened. The claim is made that he is a somnambulist and while in a comatose condition took the perilous leap which, under ordinary conditions it is thought, would have resulted in many broken bones, if not in instant death.

Mr. Plaster is known to many people here. He has lived in Union for a long time and only a short time ago decided to come to Baker and cast his lot here. It is known that he was greatly worried over business affairs, but there is a belief that this would not have caused him to intentionally commit this morning's peculiar incident.
