

BRICK IS CHEAPER

Brick building, at the present price of lumber, is cheaper as well as better. It has been demonstrated that my brick is superior to any made in Oregon. I can furnish common brick in any quantity. No order too large or too small to receive prompt attention. Correspondence with contractors and builders solicited. Estimates cheerfully furnished. Prices made known on application.

DAIRYING AT BIG FAIR

Salem, Aug. 14.—(Special).—Dairying is going to become one of the principal agricultural industries in Oregon, and with this idea in view the Oregon State Fair management is giving more encouragement to the dairy department of the coming fair, at Salem, September 14-19. This department will be superintended by Mrs. S. A. Yoakum, of Marshfield, who owns and conducts a large dairy farm in Coos county; she is also one of the vice-presidents of the Oregon Dairymen's association. Mrs. Yoakum says there is going to be a grand display of dairy and creamery products at the fair next month, and has asked for additional space for the exhibits. In answer to her demand the fair board has concluded to move the "rest tent" over and annex it onto the dairy building, and under this the different firms dealing in dairy and creamery outfits will be allowed space for their working exhibits, thus leaving the whole of the dairy pavilion proper for the creamery and cheese factory entries. A large platform will be erected adjoining on which will be displayed one of the modern milking machines in operation twice daily during the fair. Mrs. Yoakum will also have charge of the milch cow test, which is one of the interesting features of the fair and in which there is considerable strife by the owners and exhibitors of the various dairy breeds of cattle.

Kindness Appreciated.

The Order of Railway Conductors take this method of expressing their appreciation of the services of the engineers and firemen, furnished gratuitously, and the careful manner in which the two excursion trains were handled to and from Looking Glass park, and that when the first opportunity offers we will be only too glad to reciprocate the favors extended.

H. C. GRADY, T. E. BUEHLER, J. E. CONNERS, Committee.

AT THE PLAYHOUSES.

Many Attend Sherwood's. Damon and Pythias was a drawing card at the Sherwood last night. The two sets of reels require close attention if the spectator follows the run of the story. To those who are familiar with the story the films are very plain. The attraction is classed as one of the strongest films the house has yet produced.

Scenic Changes.

"Avenged" is the chief feature at the Scenic, where a change goes into effect tonight. As a comic sketch "An Old Maid's Leap Year Proposal" is excellent and brimful of humor. The other films are entertaining too. This program will remain in effect until after tomorrow night, and the patrons of this show cannot afford to miss the opportunity of seeing the program which starts tonight.

Improvements Soon Ready.

The inclined floor of the Pastime theater will be completed by next Monday night. By that time other minor changes will also be made and the house will be ready for its standard business. A splendid new moving picture machine will arrive tonight for that amusement place. It is of the latest and most up-to-date machines on the market. The installation of the new machinery and the many improvements will not mean an idle hour in the regular program.

She Likes Good Things.

Mrs. Charles E. Smith of West Franklin, Me., says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers sold at Newlin's drug store. 25c.

Stimulation Without Irritation. In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.
