Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.

FEMALE MASHER.

Baker City Lad Arrested for Impersonating Woman.

Arrayed in feminine apparel with such art that all who saw him took him to be a girl, Lawrence White, a 15-year-old youth, whose home is in Baker City, but who is visiting friends at 837 East Main street, paraded up and down Washington street late last night, giving the "mashers" a positive thrill, he was so ingenuous and coquettish of manner, says the Oregonian. Several flirtations resulted and young White enjoyed the sport until Patrolman Cooper, whose eagle eye had penetrated the disguise, took him into custody and escorted him to the city jail. The captain in charge was forced to release the boy and send him home because of the lad's tender years.

White had been attending a performance at the Grand theater and afterwards went on a promenade with his escort. He seemed to take the escapade as a huge joke and said that he would write and tell his father how well he had fooled the Portland people. He was wearing his mother's clothes, he said. A white chiffon dress with elbow length gloves and a well-made wig made up his disguise. The boy's escort fled when White was arrested and was not captured.
