

# BRICK IS CHEAPER

Brick building, at the present price of lumber, is cheaper as well as better. It has been demonstrated that my brick is superior to any made in Oregon. I can furnish common brick in any quantity. No order too large or too small to receive prompt attention. Correspondence with contractors and builders solicited. Estimates cheerfully furnished. Prices made known on application.

### AT THE PLAYHOUSES.

#### First Run Films at the Pastime.

A little more enterprise, a little more money and the Pastime opens today with a brand new film service, whereby only first run pictures will be seen for the first time in La Grande. The first great picture is the "Baseball Fan," a match game between the New York Americans versus the White Sox, the finest baseball teams in the world. Woman's Revenge is a beautiful colored film and right up to date. This picture is followed by Freedom for All, a great comedy.

The head-liner is entitled "The Padrones," dealing with the Padrone system to be found in Italian colonies in our big cities. This is a truly great story with a complete lecture on the subject by Charles Baker. The Pastime also announces Mr. A. Halling, in illustrated songs. Mr. Halling has been secured from the Sullivan-Conditine theatrical circuit and comes well recommended. He possesses a fine, deep baritone voice, which will be heard to advantage in his rendition of "Let Me Sleep in the Deep When I Die" and "The Old Rustic Bridge."

#### The Scenic Opening.

The week opens strong at the Scenic theater. The highly exciting film picturing the practice of bandits in the mountains is one that will draw well. American tourists are held by a gang of bandits and the harrowing experiences which these people had, is well told on the screen. The scenic views are better this time than usual. They tell the story of the battle of Manila bay and include other instructive views. The Girl Nihilist is a story of the Russian blood-curdling strife for liberty, true to life, and both interesting and instructive.

#### At the Sherwood.

The change for this evening is an especially good one. There is just enough variety to give it spice. The head-liner, Living Posters, is unique to say the least, and those who see it this evening will need to come again in order to figure it out to their complete satisfaction. The comic number, "Weary Wiggles' Busy Day," is one which brings smiles to all who see it, and also make them wonder how it ever happened, anyway. The songs are new and the slides are especially attractive. The pictures are all clear and free from tremor. No eye-strain at the Sherwood. There is never any complaining about poor pictures or long waits at the Sherwood.

#### Carnegie Library.

Ground was broken yesterday for the foundation of the Carnegie library building adjoining the new city hall. The work will be pushed forward vigorously during the coming months.—Baker City Democrat.

#### Student of Spurious Hero.

The Rev. Mark Noble of Camas, Wash., who has been visiting his daughter, Mrs. C. E. Happersett in this city, delighted the audiences in the First Presbyterian church yesterday with two able sermons. Mr. Noble was converted and educated under the ministry of Charles Hadon Spurgeon and bears some resemblance to that noted man. His visit is proving delightful to him and is leaving most happy impressions upon all who had chance to meet him.

#### Two Sections of Passenger Train.

There were two sections of No. 6, the eastbound passenger train yesterday morning. The cause for the additional train service were a group of republicans from northern Idaho, en route to Boise, and many of the eastern Oregon excursionists to North Beach. The train was run as one section of 14 cars to Pendleton, where it was divided into two sections.

#### Idaho's Wealth.

The total equalized valuation of the state of Idaho for 1905 is \$115,680,956.90, and compared with the equalized valuation of the state for 1904 which was \$97,775,462.16, it shows an increase of 20 per cent in valuations during the year.

### WHAT IS MORE BEAUTIFUL THAN MOTHER LOVE?

A mother's worries are many. She sometimes forgets her own bodily discomforts because of her overpowering love for the child. She becomes broken down, sleepless, nervous, irritable and feels tired from morning until night. Many mothers of experience can tell you that at such a time they have been relieved, benefited and strengthened and put into proper health by taking a prescription which their mothers had told them was the only woman's tonic to be taken at such times. Dr. Pierce's Favorite Prescription has enjoyed an enviable reputation for over a third of a century. In all that time it has sold more largely in the United States than any other tonic for woman's needs, and today its sales are greater than ever. In favor of Dr. Pierce's medicine is the frank, confiding, open, honest statement of their full composition, giving every ingredient in plain English, without fear of successful criticism and with confidence that the good sense of the afflicted will lead them to appreciate this honorable manner of confiding to them what they are taking into their stomachs when making use of these medicines.

#### ALCOHOLIC TONICS.

A great many women, feeling the need of a tonic take a cocktail, whisky, or what is just as bad, some widely advertised compound, containing a large percentage of alcohol. Doctor Pierce's medicine is guaranteed to be entirely free from alcohol or narcotics—made of roots which cannot harm the most delicate system but have a wholesome, life-giving, tonic effect upon the system. Tonic made largely of alcohol interferes with the digestion of certain foods, and as does increase the alcohol absorbed gets into the blood and strikes the red blood corpuscles. As the blood feeds the nerves the nerves get improper nourishment and the mother becomes nervous. As the nerves suffer so does the skin. Better stick to a health-giving tonic that has in the past third of a century sold more widely than any other.

#### OPEN AS THE DAY.

What Dr. Pierce's Favorite Prescription is made of. Its ingredients are: Golden Seal root, Lady's Slipper root, Blue Cohosh root, Unicorn root, Blue Cohosh root, Chemically Pure Glycerine, Robert A. Hare, M. D., University of Pa., says of Golden Seal—"Good in all catarrhal conditions, as uterine catarrh, leucorrhoea, etc." Prof. John King in the American Dispensary says of Black Cohosh root—"another important ingredient in 'Favorite Prescription.' By its special affinity for the female organs, it is an efficient agent in suppression, in dysmenorrhoea it is surpassed by no other drug, being of greatest utility in irritative and congestive conditions of the appendages, characterized by dragging pains, etc." Prof. King says of Unicorn root, "have found this plant to possess a decidedly beneficial influence in cases of lassitude with weakness or dull pain in the renal, or lumbosacral (small of the back) region. It is one of our most valuable agents, acting as a uterine tonic, and gradually removing abnormal conditions, while at the same time it imparts tone and vigor to the reproductive organs. Hence, it is much used in leucorrhoea, amenorrhoea, dysmenorrhoea.

#### A PARTICULAR PHASE

removed by it is the irritability and despondency that often attends these troubles. In those cases in which there is pelvic fullness, the aching, bearing-down organs feel as if they would fall out of the body. Its action here is very decided." Dr. Pierce's Pleasant Pellets cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation of the bowels, loss of appetite, coated tongue, sour stomach, windy belchings, heartburn, pain and distress after eating, and kindred derangements of the liver, stomach and bowels.

Persons subjected to any of these troubles should never be without a vial of the "Pleasant Pellets" at hand. In proof of their superior excellence it can truthfully be said that they are always adopted as a household remedy after the first trial. One little "Pellet" is a laxative, two are cathartic. They regulate, invigorate and cleanse the liver, stomach and bowels. As a "dinner pill," to promote digestion, take one each day. To relieve the distress arising from over-eating, nothing equals any of these little "Pellets." They're tiny, sugar-coated, white, granules, scarcely larger than mustard after the first trial. Dr. Pierce's Common Sense Medical Adviser will be sent free, paper bound, for 21 recent stamps, or cloth-bound for 31 stamps. Over 1000 pages and illustrated. Address Dr. R. V. Pierce, Buffalo, N. Y.
