

BRICK IS CHEAPER

Brick building, at the present price of lumber, is cheaper as well as better. It has been demonstrated that my brick is superior to any made in Oregon. I can furnish common brick in any quantity. No order too large or too small to receive prompt attention. Correspondence with contractors and builders solicited. Estimates cheerfully furnished. Prices made known on application.

WEIGH OUR COAL
 and you'll find every ton weighs 2000 pounds of coal, not 1850 pounds of coal and 150 of driver. Please remember also that coal with us means just coal, not slate, dirt or water. Shall we send you up a load or two? Good thing to have in the house at any time, and especially now. And it will not spoil, don't you know. \$8.00 per ton.

MANY AT PEACH DAY.

Great Crowds Pour Into Freewater to Eat Peaches and Cream.
 Freewater, Sept. 2.—The ever increasing popularity of the fruit festivals in this vicinity was evinced today by the greatest attendance in the history of the Peach Day festival. Large crowds from all the surrounding country commenced to flock into the little Oregon city early this morning and a steady stream of visitors kept up until noon. The interurban cars from Walla Walla were filled to the guards, notwithstanding that they were run on a half-hour schedule.

After spending the morning in renewing old acquaintances and enjoying the dinner which they brought with them, with peaches and cream for dessert, the great assembly was addressed this afternoon by Rev. J. C. Reid, who spoke on "Character as the Best Paying Crop Any Community Can Grow." The crowds were well satisfied with their reception and enjoyed eating the best peaches the northwest affords.

AT THE PLAYHOUSES.

Sherwood's Change.
 The Sherwood Electric follows its splendid program of the week-opening with another "hummer." With Bluebird as the headliner and a long string of splendid attractions, Manager Sherwood claims to have a fine production for tonight. To mention one film and not the other would be slighting one of the good ones, hence, the best way to learn the real worth of the program is to attend in person and be convinced.

ROBIN HOOD TONIGHT.

Four Great Subjects on the Bill for Today.
 "Robin Hood," the old story of the outlaws of Sherwood forest told in pictures.
 "A Daughter's Honesty," a great picture illustrating the old maxim, "Honesty is the best policy."
 "A Good Dinner Badly Digested" is a great comic picture and shows the horrors of indigestion.
 "The Romance of a War Nurse" is direct from Thomas A. Edison's studio and a beautifully tinted film, dealing with the great Civil war.
 Two new illustrated songs are also programmed for today.

The Scenic's Show.

One of the best programs that the Scenic theater has presented to its patrons is now in full swing, but ends after tonight. The robbery of the Citizen's bank is a thrilling picture, while enough humor to last a week is wrapped up in the piece entitled "When Reuben Comes to Town." Mr. Bean has an especially well adapted song in "As Long as the World Rolls On." Mr. Bean renders this selection in a delightful manner and has received many compliments today on his work.
 Mrs. M. Chapman, who has been in the city the past three months, visiting her sons, J. M. and G. H. Chapman, returned home this morning. She resides at Jacksonville.
