

BRICK IS CHEAPER

Brick building, at the present price of lumber, is cheaper as well as better. It has been demonstrated that my brick is superior to any made in Oregon. I can furnish common brick in any quantity. No order too large or too small to receive prompt attention. Correspondence with contractors and builders solicited. Estimates cheerfully furnished. Prices made known on application.

READY FOR MEETING

Considerable interest is manifest in the coming meeting at the old Elks hall tonight, when a Vast-Sherman club will be organized. Many republican have signified their intention of attending the meeting, and it is believed a rounding attendance will result.

This meeting partially conflicts with the state meeting at Portland tomorrow, when the state committeemen and county chairmen are supposed to attend. For this and other business reasons, it is likely that neither of the local men entitled to attend the big warm-up meeting in Portland tomorrow, will go. The meeting tonight is called for 8 o'clock, and the invitations to attend have been scattered broadcast.

It is planned to elect two vice-presidents, one from the chairman, and secretary.

PRUITT HOME AGAIN.

Missing Pendleton Attorney is in His Home Fold.

The Pendleton East Oregonian relates that the missing Pendleton attorney, is now once more at home. He was brought back to the city yesterday and was immediately taken to his former home, where he is now being cared for. He is ill and is said to be threatened with brain fever.

When news was received here that Pruitt was at Sheridan, Wyo., his wife started forth to find him, fearing that his mind was affected and that it was her duty to go to his aid. Her mission was successful and the couple arrived here safely yesterday.

Apparently Pruitt was under an hallucination when he left here, and his actions indicate that such was the case. He says that he started for the springs where his wife and mother were staying, but went in the wrong direction. When found he was at the Great Western hotel in Sheridan.

This afternoon Pruitt's condition was reported to be as favorable as could be expected. He is not critically ill, but his condition is such that he will have to have absolute rest for some time to come.

Demand for Power.

Out of the batch of nine new locomotives sent to the local shops not long ago for emergency use, only three remain idle. The other six have been set up from time to time and are in use daily. If the columnist traffic assumes such proportions as appearances indicate, even the last three will be set up and put into service.

Five Thousand at Freewater.

Freewater, Sept. 2.—With every train and interurban car loaded to its full capacity, carrying people to attend the Peach day exercises, and conveyances of all descriptions thronging the streets, the annual celebration was one long to be remembered. The crowds which came from all parts of this and adjoining counties are variously estimated to have included not less than 5000 persons.

Baptist Rally and Roll Call Days.

The First Baptist church has scheduled September 11-13 as Rally and Roll Call days. Friday evening, the 11th, Rev. Alexander Blackburn, D. D., predecessor to Dr. Brougher in the White Temple, now of Baker City, will deliver his noted lecture on "The Overflowing Life." Saturday will be a day of good things. The roll call takes place in the afternoon, led by Rev. George T. Ellis. On Sunday Dr. Blackburn will be heard twice. The Baptist forces are rallying for an aggressive campaign for the fall and winter.

AT THE PLAYBOUS.

At the Sherwood.

"Bluebird" is truly a great film and it is no wonder the Sherwood Electric was filled to the capacity three times last night. The film pictures a story that is touching and has enough color in it to make it realistic. The principle that "love will find a way" is the keynote of the story, which turns out all right at the end, but at first appears gruesome and doubtful for the heroine of the story. The man answering the advertisement by a woman who wants a son-in-law, is so funny that it keeps the audience in good humor. In fact, there is not a day with the entire program.

At The Scenic.

Manager Gardiner, after considerable correspondence, has been able to secure for his theater the film entitled Salome, the Dance of the Seven Veils. This is the story of the capture and death of John The Baptist, showing the banquet scene of King Herod and the wonderful dance of the seven veils by Salome, the daughter of Herod's favorite wife. It will be remembered that at the conclusion of this dance Salome requested of Herod the head of John The Baptist. The request was granted and in a succeeding scene his execution is depicted and his head presented to the misguided, but naturally cruel Salome. There are nine scenes or chapters, which truly portray one of the most exciting and tragic Old Testament stories. This is a new film released from the manufacturers August 22.

As a contrast to the tragic sternness of Salome, Manager Gardiner has secured the comic number, Biscuits Like Mother Used to Make. This number deals with the time-honored joke founded upon the biscuits Mrs. Newlywed makes for hubby. He tries to consume one, but failing, throws the entire batch out the window and by so doing works a tremendous hardship upon a little German band which is playing outside.

RECEPTION AT BAKER CITY.

Athletes Will Reach Oregon September 10—Big Reception.

Baker City, Sept. 1.—A special message to a Baker City paper from W. J. Petrain, sporting editor of the Portland Oregonian, says the Oregon delegation to the Olympic games will reach Baker City September 19. Among the photographs taken at the stupendous celebration in New York recently, was one taken of Dan Kelly shaking hands with the president.

At a meeting of the Elks Monday night there was set apart a sum of money for the entertainment of the boys on their arrival here. A committee was appointed consisting of George Small, W. S. Levens and R. G. Parker, to co-operate, with the citizens and other societies who may take part in the ceremonies incident to the entertainment. It is expected that other societies of the city will take part in the day's festivities.

Mayor Johns desires it said that there will be a public demonstration in honor of the return of the boys. What shape it will take has not been definitely decided.
