# COUNTY EXCHANGE

(Union Scout.)

O. Moffit has sold his property to Thomas Wassen of Wardner, Idaho. Mr. Moffit will move up into the state of Washington.

Mr. and Mrs. Dunham Wright and daughter, Mrs. Grace Foye, have moved from Medical Springs to Mr. Wright's ranch at Cove for the fall.

W. M. Dobbin bought a \$9000 farm above Washougal, Wash., and will move his family there in a few days.

(Union Republican.)

Miss Clara Wilkinson expects soon to leave for Ashland, where she will attend Normal school this winter.

Andrew Wilkinson is showing a steady improvement in the matter of health, and it is considered that he is out of danger.

Miss Effie Billings returned from the Willamette valley this week, ready to take up her school work for the fall and winter. Miss Billings has been employed in the La Grande schools for the coming term.

O. P. Pratt was in La Grande Saturday last. While absent he found a man who is willing to take \$5000 stock in a cannery at Union. Mr. Pratt is very enthusiastic over the cannery proposition, and there is certainly no better place for one than at Union.

(Elgin Recorder.)

Mrs. G. C. Mapes left Friday evening in response to a telegram informing her of the serious illness of one of her younger brothers at the family home in Monticello, Ark.

J. F. Bater, who has had charge of the Union flouring mill for the past few years, arrived down from that city Monday. Mr. Bater will have charge of the flouring mills both at Imbler and Elgin, and will make his home in this city. As soon as a suitable residence can be procured, the family will follow Mr. Bater.

### CLEAN OUT THE DALLES.

Tenderloin District of River Town is Doomed to Get Out.

Whether or not houses of prostitution shall remain in The Dalles, and if they are left in existence, whether they shall not be confined in a certain district, is a question which was brought before the city council last night.

There has been much agitation in the city of late, regarding the houses of ill fame. At the meeting of the city fathers yesterday evening, Attorney H. S. Huntington appeared before the body and discussed the subject at length, explaining the great objections which are being urged against the location and past lack of restraint of these houses in The Dalles.

That the matter has become a serious issue among citizens of the city, and that important action is to be taken regarding the question, was gained from the lawyer's remarks.

### PAY TRIBUTE TO DEAD.

Large Cortege of Elks Accompany Remains of Mrs. Roberts to Train.

A large number of Elks and friends of the A. A. Roberts family, accompanied the remains of the late Mrs. A. A. Roberts from the Main street residence last evening to the train. The body was shipped to Pendleton last evening and today was taken on to Heppner. The funeral will be held from the parents' residence tomorrow afternoon.

### Better Than Spanking.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

### CEMETERY COMMITTEE.

### A GOOD RECORD.

Only One Man Arrested in Elgin Since July 1.

"Donskie" Peterson, a well known character of this city, discovered the whereabouts of some of the prescribed liquor last Saturday and proceeded to fill his hide with the same. It was not long before he was languishing in the strong arms of the law in an over-ripe condition, contrary to the peace and dignity of the city of Elgin. Accordingly he was arraigned before Recorder Denham and fined \$10, which he paid. He is the first man who has been arrested in this city since the local option law went into effect on July 1.—Elgin Recorder.

### First Week of School.

The first week of the Sacred Heart academy came to a close last evening, and for the opening week the attendance was favorable. Additional students will come in later in the fall, when farm work will allow parents to send their children in to secure an education.
