INSPECT BIG PLANKS

TAFT-SHERMAN CLUB DE-CIDES ON NEW SCHEME.

Impromptu Debates, Speeches and Discussions Will Run Amuck Each Wednesday Evening Hereafter, When Newly Organized Club Carries Out its Scheme—Delegates to Portland Named.

Volumes of work were accomplished at the meeting of the Taft-Sherman club last evening, and something of what will be done by the organization is now beginning to show itself. To select every Wednesday evening a meeting night at which time various planks of the republican platform will be discussed and debated in an impromptu manner, was only a part of what the club did last evening. A program committee consisting of F. S. Bramwell, F. S. Ivanhoe and Ed Coolidge was appointed and this body will arrange for the discussions and instill new life by the addition of quartet music at each meeting. The injunction plank and the postal savings bank platform, are only two of the main bones of contention between the two stable parties that will be gone over in the way of lectures and discussions. Something interesting is sure to result from these meetings. If any one is doubtful over a plank in the platform, these meetings will be set aside for the express purpose of bringing forward such doubtful points, and have them cleared up.

Delegates Appointed.
The delegates who will represent the La Grande club at the state meeting of Taft-Sherman clubs in Portland September 15, were appointed. They are: W. J. Snodgrass, F. S. Bramwell, Ed Wright, C. E. Cochran and J. H. Peare.

LADD CANYON.

Ladd Canyon, Sept. 9.—(Special.)—Mill Alta Banton is spending a few days in La Grande at the home of her cousin, Mr. Edwin Gates.

Very hard showers visited our neighborhood last Monday.
Miss Kate Braden returned home from Perry Monday, where she has been the guest of Mrs. James Fields.
Joseph Lineberger is spending his spare hours on his fishing pond. He is at present scraping it out. He does not contemplate finishing it until the water in Ladd creek rises. When completed it will be filled with fish, which will furnish much joy to fishers, swimmers and those who like scenery.

Our school directors have hired the Messrs. John and Alex Larm to build a new fence around the school house. They will also clean the well. The well has been thoroughly cleaned and they are now arranging to build a wire fence in place of the board fence. School will begin Monday, with Miss Dora Murdock, from Monmouth, as teacher.

Mrs. Mary Rogers has her new cottage completed, except painting.

Miss Mabel Counsell spent Thursday and Friday of last week in upper Ladd canyon at the home of Mrs. Lawrence Drumsmith, and while there visited the sawmill. The mill is much better since it has been re-equipped.

William Winn has bought property in La Grande and is moving there to reside.

Theodore May and family expect to move to Cove in a few weeks to make their future home.

A Powerful Pump.

At the Dan mine in the Virtue district east of Baker City, there has just been installed a Gould pump of 250 gallons capacity per minute in the station at the 100-foot level.

The pump is in operation and it works to perfection, keeping the shaft and underground workings free of water. As deep sinking goes on, a new station every 100 feet will be cut and the pump lowered to it.

It is pleasing to note the progress being made at the Dan and the practical management in charge. The new mill will soon be completed. In the meantime practical development progresses and when the mill is ready to drop stamps there will be ore reserves of sufficient quality to insure a very encouraging monthly output of gold.
—Baker City Democrat.

HILGARD ITEMS.

Hilgard, Sept. 9.—(Special.)—Miss Pearl Park of Summerville is visiting friends in Hilgard.

Miss Mabel C. Stephens arrived from Portland Monday morning and began on her nine months' school Tuesday morning.

Mrs. Effie Walker of Connell, Wash., is visiting her sister, Mrs. Laura Hawes. Mrs. Walker accompanied her husband to Hot Lake, where he is at the sanatorium for treatment for rheumatism and is improving.

There will be a big dance at the hall Saturday night. There will be good music. Supper will be served by the Mrs. Holverson and Mangers, which bespeaks a good repast.

George McGarry, who has been in the Walla Walla valley harvesting, has returned.

Charles Hawes left this week for Council, Idaho.

Mrs. Violet Butler went to La Grande this week, where she is having dental work done.

Mr. and Mrs. C. N. Lewis visited in La Grande over Sunday.

How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

She Likes Good Things.

Mrs. Charles E. Smith of West Franklin, Me., says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers sold at Newlin's drug store. 25c.

Excellent Health Advice.

Mrs. M. M. Davison of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other 'remedy I know of.' Sold under guarantee at Newlin's drug store. 50c.

Indianapolis, Ind., Sept. 9.—Survivors of the 41st Indiana regiment from many states are gathering today at their old camping ground for the 23d annual reunion. Novel souvenirs will be given the veterans, being copies of a letter written in 1863 by General A. D. Straight, while he was a prisoner in Libby prison, and smuggled out of the barricade in a plug of navy tobacco.
