STOCK SHOW PROMISING

Portland, Ore., Sept. 14.—(Special correspondence.)—The Portland Country Club and Livestock show opens next Monday and continues all week. It will be the largest showing of livestock ever gathered together at one time in the Pacific northwest, not excepting the marvelous exhibit at the Lewis and Clark fair. The speed contests will be extraordinary; the great mile track is without a parallel on the American continent; the transportation facilities to and from the grounds will be excellent, as both steam and electric roads will carry their thousands. The beautiful amphitheater built on steel trusses, the first of its kind in Oregon, is already completed. The State fair opens today under most favorable auspices. The building and grounds are in "apple pie" order, and exhibits in all departments superior.

Every community in Oregon should be represented at the trans-Mississippi Commercial congress in San Francisco October 6 to 10. Each of the commercial bodies of the state should have at least one delegate; the mayor of each city and the judge of each county have been asked to name delegates. This congress, whose sessions are second in importance only to those of the National congress, and whose deliberations have much influence on national legislation, has held one of its most important gatherings in Oregon; while citizens of this state have held the highest offices within the gift of the organization.

Oregon dairy interests are up-to-date. President F. L. Kent, of the Oregon State Dairy association, has just returned from New York, where he has been in attendance upon the national convention of Dairy Instructors, under the sponsorship of the United States government.

The managers of the Golden West and American Industries exposition, to be opened at Earls Court, London, May 1, 1909, and continue for six months, have asked the co-operation of Oregon through Governor Chamberlain. It is the first industrial exposition of this character held since 1887. The business carried on between the United States and the United Kingdom comprises one-fifth of the entire commerce of the world, and it is constantly increasing. It is expected that this exhibit will bring together all the present-day achievements in science, invention, handicrafts and trades in the United States.

Hood River has organized a "University Club" with 63 members. There are only two other similar organizations in the Pacific northwest.

A FINE SITE.

Mimnaugh Brothers Will Dig Mill Pond at Wallowa This Winter.

Charles and James Mimnaugh, who returned last Saturday night from Wallowa, report that they have already commenced the construction of three homes, one for each of the men, and one for the mother of the two. During the winter months the mill pond will be constructed and early in the spring the construction of the mill close to the main line will be commenced. The capacity of the mill will be such as to employ nearly as many men as are now on the payroll of the Perry mill. The site for the new mill is a splendid one, needing but a spur from the main line to reach the yards.

How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at Newlin's drug store.

Excellent Health Advice.

Mrs. M. M. Davison of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Newlin's drug store. 50c.

Stimulatoia Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. A. T. Hill, druggist.
