CONTEMPT IS CHARGED

Frank Briggs of Starkey, will next Monday morning be arraigned before Circuit Judge Knowles on the serious charge—contempt of court. He was arrested last night and gave bonds for his appearance Monday. This is a duplication of the first instance when Briggs was arraigned on the same charge, but was acquitted later. At that time an injunction was granted Hill, the plaintiff, forbidding Briggs from using certain waters for irrigation purposes. The injunction was ignored, it is alleged, and the contempt case followed. A few days ago, a similar injunction was issued, and now, the plaintiff alleges, Briggs is again ignoring the order of the court. He was arrested in this city last evening.

Do You Think For Yourself?

Or do you open your mouth like a young bird and gulp down whatever food or medicine may be offered you?

Would you have an intelligent thinking woman, in need of relief from weakness, nervousness, pain and aching, then it means much to you that there is a new and true honest medicine for women's ailments, sold by druggists for the cure of women's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famous medicine is advised.

No other medicine for women's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of its several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. R. V. Pierce, Buffalo, N. Y.
