## START FRUIT SHIPMENTS

The first car of Grande Ronde prunes to be shipped out from La Grande by the Ramsey-Oldenburger Warehouse company is being prepared for its trip to the east. At the same time a car of apples, also the first of an extensive shipment from this point this fall, is being prepared for transportation by that company. The new firm has a bright prospect for the coming fruit shipping season, and is storing fruit for its patrons to be ready to unload on the markets when prices recuperate and the demand is better. The unsteady markets for apples this fall will delay extensive shipments from this section of the state and fruit men in general are planning on waiting for holiday demands to set the movement at a good fast clip. So immense is the apple crop in Union county this year that all shippers will be busy in handling the fruit for growers.

## REPUBLICANS ORGANIZE.

Baker City Effected Organization of Taft-Sherman Club.

This evening those who believe in principles of republicanism will congregate in the hall over the Citizens' National bank for the one purpose of organizing a Taft-Sherman club for the campaign which is now well advanced, says the Herald of Tuesday.

According to Roy Corey, chairman of the republican county central committee, it is the intent of this gathering to discuss no political matters except those bearing directly on the national campaign. In this it is understood that no factionalism will be indulged in and the statement No. 1 men will join with those opposed to that measure, all working for the success of the party standard bearers. That there is no friction in Baker county at the present time among republicans is vouched for by those who have control of the party machinery. There is, however, a lethargy apparent to all, which bodes no good for any political party, according to those who have watched the game for many years.

There is no slate made for this evening's meeting and officers will be chosen much as officers are chosen in country literary societies—without any process of fiving whatever.

## THE BIGGEST FAIR YET.

Walla Walla Fair Comes Off in Three Weeks—Bright Prospects.

Walla Walla, Sept. 23.—(Special.)—Never before in the history of the Walla Walla County Fair association, have prospects been so bright for the holding of a record-breaking fair, as they are this year. With the opening date of the fair only about three weeks away, plans are being advanced to a state of completion, and the program contains many features that will make this fair one to be long remembered.

Purses and premiums, aggregating \$25,000 are offered this year, and purses hung up for races will reach a larger sum than is being offered in any place in eastern Washington this season, Spokane not excepted. An entire new string of stables have been erected. The old barns were destroyed by fire several weeks ago, and the new stables were erected upon the most modern plan obtainable.

A wild west show, originated for the express purpose of giving exhibitions at the fair, is now being assembled by the directors. Wild horses will be brought from Adams and Umatilla counties, and the riders who will be here, are among the best in the world. This show will be no fake, as it would have been possible to have secured any one of a dozen traveling wild west shows, had this class of show been desired.

## Big Firm for Walla Walla.

Walla Walla, Sept. 22.—The largest real estate deal ever made in Walla Walla county, causing the removal from Walla Walla to Walla Walla of one of the wealthiest and best known merchants in southeastern Washington, and a transfer of property valued at about \$175,000, was consummated late Saturday evening. Those interested in the deal are J. H. Morrow & Son of Walla Walla, Cox-Barnett Co., and V. H. Rodgers of Walla Walla.

Mrs. Gilmore of The Dalles, mother of 16 children, healthy and active, has celebrated her 90th birthday.

## DOCTORS' MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their busy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better in reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have directly removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in this condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the nervous system.

It relieves mental anxiety and despondency. Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

## How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.
