Better Than Spanking.
Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful instructions. Send no money, but write her today if your children trouble in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Jewish New Year.

New York, Sept. 25.—In the East Side and other sections of the city where Hebrews are congregated in large numbers, there is an air of subdued excitement in anticipation of the ushering in of Rosh Hoshanah, or the first day of the Jewish New Year 5669. When the sun sinks behind the horizon this evening, the two million Jews in the United States will begin their New Year celebration. The more pious of the race will turn their faces toward the synagogues, while the backsliders and those who have become indifferent to the faith of their fathers will begin a period of meriment. In this city, many Jewish merchants will close their places of business to-night and will indulge in a holiday period over tomorrow and Sunday.
