## EXHIBITION WEEK

Beginning Monday, September 28--Ending Saturday, October 3

**O**UR ANNUAL FALL OPENING WEEK begins next Monday and will continue each day until the following Saturday night. We have endeavored for this exhibition to secure a representation and liberal supply of all the new creations for Fall and Winter wear. In our buying, style was our first consideration. Secondly, we considered the quality; and thirdly, the possible selling price. We feel that our congregation of the new, the stylish, the beautiful and the dependable for this season's customers will prove a grand success. We feel that there is perfect satisfaction to our customers, contained in every dollar's worth of goods bought for their criticism and choosing. During this exhibition week, many especial price inducements will be offered in the new goods, as a special inducement for you to visit us and to induce early Fall buying which will be to your advantage and ours. The store will be appropriately decorated for the occasion and music will be furnished every afternoon. Read the special price inducements below.
