### Paint in the Fall

THE WEATHER is more settled then. and should be carefully considered. "Hand Made" mixtures or cheap products are a waste of time and money.

There is less dust, less heat, not so many rainy, cloudy days and the flies, bugs, etc., are gone.

### Low Brothers High Standard Liquid Paint

Gives Best Results

THE LUMBER is drier after the summer's heat than after a winter's dampness. The paint will take better hold of the wood and dry hard and smooth.

THE PROTECTION is the primary object of painting and in the winter your house needs protection the most. "High Standard" paint not only gives the best but the longest protection of all paints.

Don't do any guessing—just insist on "High Standard" Paint—and there will be no regrets.

THE PAINTER is not so busy as during the "Spring rush," and can give the work better attention and allow more time for each coat to dry and harden.

There are "Little Blue Flag" Paints and Varnishes for your house, barn, wagons, carriages, floors and wood-work. Let us explain to you.

### 10 PAGE PAPER

Increased advertising and a run of news matter over the usual, has resulted in an increase in the regular size of The Observer this evening. Adhering to the policy of this paper, The Observer does not slight its readers in the quantity of news to accommodate advertisers. When business warrants it the size increases. There is a bounteous amount of advertising in tonight's issue, and aside from the news matter, there is something for the housewife and busy husband to peruse in the notices of slaughter sales to be inaugurated in some of the leading business houses of the city. The prices and quality of goods to be secured are truthfully told in the various ads. Read them.

### TWO MATCHES EXCITING

Two fast matches were witnessed at the Algonquin tennis courts last night, when the second batch of the preliminary tournament were run off. In the men's singles Thomas Bruce beat Charles E. Cochran in an exciting match. Score, 7-5, 4-6, 6-0. One of the most exciting games, however, that will likely be played in the ladies' singles, was that between Miss Ruby Theison and Miss Floy Massee. The first set was a long-drawn out affair, running several games over the usual. Both were evenly gifted but better endurance won out for Miss Theison in the last set, allowing her to win the deciding set with ease, but only after Miss Massee had captured the second set with a close score. The score tells its own story: 9-7, 5-7, 6-2.

The game slated for tonight is Jay Van Busen against J. J. Carr in the men's singles. Mrs. Jay Van Buren against Miss Frances Massee in the ladies' singles, will appear later in the schedule. The only match set for tomorrow afternoon is that of George T. Cochran against E. E. Bragg.

**Asa Van Winkle Indicted.**  
An indictment charging Asa Van Winkle of having obtained money under false pretenses, was returned by the grand jury Thursday afternoon, says the Pendleton East Oregonian. Van Winkle is the young Pilot Rock man who obtained money from merchants in that town on checks to which he had signed his own name, when he had no money in the bank. He then hired a horse from a livery stable and rode him nearly to Baker City, where the animal was abandoned. He was later arrested at Nampa, Idaho, by Sheriff Til Taylor.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.
