ARTIFICIAL ICE THE ONLY PURE KIND

The only kind of ice that we handle in retail trade is artificial ice made from pure artesian water—the only pure ice in the city. A delivery wagon will bring this PURE ICE to your door on notification by telephone or otherwise. To regular patrons our prices are one-half cent per pound. NATURAL ICE handled in wholesale lots. Look out for the Grandy ice wagon. Phone Black 571.

GRANDY THE ICE MAN

WILKERSON IS PROMOTED

A general shift has taken place in the teaching corps of the city schools, with the result that the vacancy in the high school faculty, caused by the resignation of Miss Alice McKinley, has been filled by Prof. R. A. Wilkerson, formerly in charge of the eighth grade. Mr. Wilkerson will likely take history and mathematics chairs in the high school and Principal Hockenberry will likely take the Latin classes. Just what arrangements will be made remains to be seen.

The vacancy in the eighth grade teachers' staff has been filled by Miss Lydia Hug, who has been promoted from the sixth grade. Then, to supply the sixth grade, a new teacher has been selected by the board. She is Miss Katherine Woodruff, who accepted the position this morning. She is hiring one grade teacher

and promoting two others, a solution to the knotty question has been found.

DERRICK'S FIRST TRIP

For the first time since the road was built, the wrecking derrick has gone over the Wallowa extension to the Palmer Junction. This trip was made yesterday when a carload of logs spilled into the river a week ago, was righted and brought in. There has been some apprehension about taking the heavy paraphernalia across the Island City bridge, but recently an O. R. & N. bridge inspector decided the structure would stand the load, if not run faster than 10 miles an hour. The trip yesterday was made without accident.

A company of regulars from an eastern fort passed through the city yesterday en route to Spokane.

WASH OUT BEER SIGNS

Joseph G. Cannon, speaker of the house of representatives, was flayed in a grueling manner, and the conspicuous signs over the now empty saloons in La Grande, were fearlessly decryd in an address by Mrs. Helen D. Harford, national organizer for the W. C. T. U., in the M. E. church last evening. In her attack on the speaker of the house, she was not backward in blaming against "Uncle Joe" the death of the movement to have each state control shipments of liquor. She related how a committee from the general conference of the M. E. church at Baltimore—including Governor Folk and Governor Hanly, aside from a score of influential men—had approached Mr. Cannon to have the measure brought through and on the floor. Their efforts were futile. Her expose of his action in the matter was clear and truthful.

Beer Signs Drubbed.

That the citizens should persuade the council to have the obnoxious beer signs, painted over or obliterated in some way, is the statement made by the speaker. That the signs of whiskey and beer which cover many of the buildings of the business portion of the city, are unsightly and out of place in a dry town, is, of course, a fact, and many citizens of the city feel as did the speaker about this matter.

BIG EVENT FOR CHURCH

The official program for the first convocation of the newly formed eastern Oregon diocese of the Episcopal church, at Pendleton, has been announced. It follows:

The program for Wednesday will be divine service and holy communion at 10 a. m., with an address by the bishop, after which the convocation will proceed to organization and business. At 12 noon, there will be noonday prayers for missions.

At 1 p. m. a lunch will be served by the ladies of the church for the clerical and lay delegates, in the old parish house.

At 2 p. m. Dr. Devins will give reminiscences of his work and experiences as a missionary in eastern Oregon. At 3 p. m. there will be a meeting of the ladies' auxiliary, led by Miss Alice Knight, the deaconess, after which the business session will be resumed.

Papers are to be given by the only three rectors of eastern Oregon, viz.: Rev. Upton H. Gibbs, La Grande, "The Church's Attitude Towards Amusements."

Rev. J. Neilson Barry, Baker City, "Eastern Oregon and the Church."

TWO RACES YESTERDAY

Oliver's black quarter-miler was administered a defeat yesterday at the fair grounds race track for the first time this season, when Tom Peach's "Sam Mullen" won hands down.

Another running race of considerable interest to be pulled off yesterday afternoon was between the Johnson gray horse and Dude Bull's "Brownie." The gray won the race.

Local Horses to Baker.

Two strings of local trotting stock were taken to Baker City yesterday when Lion Wend and Mr. Starr took their horses there for early training in anticipation of the fast race meet that is to take place there in the near future.

Cured Hay Fever and Summer Cold. A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.
