WHICH BILL

would you prefer to pay? A
good stiff one to the doctor for
curing some of your family of
pneumonia or rheumatism or
our modest one for the coal
which would have prevented the
illness? Think it over. Then
give us the order for coal. Do
it soon, too. Even a little chill
may mean a big bill—for the
doctor.

FEED AT PILOT ROCK.

Armour Packing People Will Build
Yards for Stock There.

That Pilot Rock is to become a feed-
ing ground and stock buying center
for the Armour Packing company is
now almost an assured fact, says the
Pendleton East Oregonian. Options on
two or three tracts of ground adjacent
to the town of Pilot Rock have been
secured by the big packing company
and this week the deal will be finally
closed for a feeding ground, it is be-
lieved.

For several months the Armour
company has been searching eastern
Oregon over for a suitable location for
a big feed yard and stock buying center
and finally Pilot Rock, in the
heart of the Umatilla livestock belt,
has been selected, and if the deal goes
through, one of the greatest stock
feeding and buying industries in Ore-
gon will be built there.

It is said the company will buy at
least 40 acres for feeding pens and
sheds, and will then make a center
for winter feeding, using the available
hay and barley of the Pilot Rock dis-
trict for fattening thousands of head
of cattle and sheep.

TAX NOTICES

Are Being Sent Out by the Sheriff for
Last Half Payments.

Notices are being sent out from the
sheriff's office notifying those who did
not pay their taxes in April last, that
the last one-half is due and payable
on or before the first Monday in Oc-
tober.

Those who paid one-half last April
and neglect to pay the last half before
October will have to pay 12 per
cent interest from April 1, and in ad-
dition, a penalty of 10 per cent.

The unpaid taxes do not aggregate
a very large sum as compared with
the total. The total tax for 1907 was
\$220,000, of which \$185,000 has been
paid, leaving only a balance of \$35,-
000 unpaid.
