## Paint in the Fall

THE WEATHER is more settled then.

There is less dust, less heat, not so many rainy, cloudy days and the flies, bugs, etc., are gone.

THE LUMBER is drier after the summer's heat than after a winter's dampness.

THE PAINTER is not so busy as during the "Spring rush," and can give the work better attention and allow more time for each coat to dry and harden.

THE PAINT is the essential feature at any time of the year

and should be carefully considered. "Hand Made" mixtures or cheap products are a waste of time and money.

THE PROTECTION is the primary object of painting and in the winter your house needs protection the most. "High Standard" paint not only gives the best but the longest protection of all paints.

Don't do any guessing—just insist on "High Standard" Paint—and there will be no regrets.

There are "Little Blue Flag" Paints and Varnishes for your house, barn, wagons, carriages, floors and wood-work. Let us explain to you.

## RE-ARRANGE 3 LOCATIONS

PEARE AND NEWLINS TO MOVE THEIR STANDS.

New Fish Market Owned by Dick Kelley to Take Place Left Vacant by Moving of Peare Stand—Improvement Work Done on Midget Market Already—Adcock & Fritts in Slater Building.

In the near future there will be at least three changes in locations of business firms in the postoffice block on Adams avenue and the addition of one new firm to the city directory, meaning considerable improvements to the store front of one of the buildings. As announced before, the Newlin Drug store and the Newlin Book & Stationery company will leave their present location, the drug store going into the building now occupied by the Penington & Co. clothing store, the book store moving to the room now occupied by the drug store, the J. H. Peare jewelry store moving east one door to the room occupied now by the book store, and thus leaving one location open.

### New Fish Market.

In this vacancy, where Peare's stand now is, will go a new fish market, to be owned and conducted by Dick Kelley. According to announcement he is to run an up-to-date fish market, dealing in a full line that will meet demands now seriously felt. At present it is oftentimes hard to secure fresh fish, and with a firm dealing in that line alone, exerting all its energies in that line, the result will be that La Grande will have practically as fresh fish as any Portland market.

### Improvement Now on.

The Little Midget meat market has been enlarged. The front similar to the Peare show window has been torn down and a new and more slightly front put in its place. The market itself has been enlarged. In a short time the show window of the Peare shop will be treated as the Midget market window is now.

### Furniture Store's Location.

By the removal of the Penington & Co. stock to the room now occupied by Adcock & Fritts, the latter firm has been forced to make preparations for moving, and the new location of that furniture store will be the Slater building, on Jefferson avenue. This will place three furniture stores of the city in one block, and incidentally help to make Jefferson avenue a more popular thoroughfare.

All these moves will be made by the first of November, it is believed.

## TRACE LOST FAMILY HERE

The entire family of one Abel Jones is missing and eastern relatives are searching for information leading to their whereabouts. The family is said to have lived at or near La Grande at some time when the husband was alive. According to the inquiry received here from the east, the husband has been dead several years, and the family has either removed to some isolated place or left this county and country entirely. The family wants information, and the only information which they have to work with is that Abel Jones lived in or near La Grande at one time, according to the following letter to Postmaster Richey: Sycamore, Ill., Sept. 19, 1908.

Dear Sir: I formerly had a brother by the name of Abel Jones who, with his family, lived either in La Grande or somewhere very near there. He died some years ago, and I have lost track of the family.

I enclose you herewith stamps to write me whether you know of the family of such a name and if so, the postoffice address either of his widow or any of the children. I do not know just what pursuit he did follow—whether a carpenter or teamster or farmer or what. If you will answer this letter and will make inquiry respecting the facts, I will send you any reasonable amount for your services. I am thanking you in advance.

Very truly yours, H. A. JONES.

### Cured Hay Fever and Summer Cold.

A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." A. T. Hill, druggist.

### How to Get Strong.

P. J. Daley, of 1247 W. Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it is my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.
