The 2nd Saturday Bargains of the
GREAT BANKRUPT
SALE
THE SALE OF SALES

New shipments of the Bankrupt Stock enable us to give you still greater bargains than ever. Although last Saturday and the past week we have been crowded to death, we intend to make this second Saturday the banner day of the Fair Store, so we have employed some 40-odd extra clerks to enable us to handle the crowd, for we know that with such immense bargains we are sure to have the crowd. Don't forget that every article in the whole store is reduced, including our new, clean stock as well as the Leader stock which was bought for sixty cents on the dollar.
