Paint in the Fall

THE WEATH-
ER is more
settled then.

There is less dust, less
heat, not so many rainy,
cloudy days and the flies,
bugs, etc.,
are gone.

THE LUMBER
is drier after
the sum-
mer's heat
than after a
winter's

dampness. The paint will take
better hold of the wood and
dry hard and smooth.

THE PAINTER is not so busy
as during the "Spring rush,"
and can give the work better
attention and allow more time
for each coat to dry and harden.

THE PAINT is the essential
feature at any time of the year

and should be carefully consid-
ered. "Hand Made" mixtures
or cheap products are a waste
of time and money.

THE PROTECTION is the
primary object of painting and
in the winter your house needs

protection the
most. "High
Standard" paint not only
gives the best
but the longest
protection of
all paints.

Don't do any
guessing—just insist on "High
Standard" Paint—and there
will be no regrets.

There are "Little Blue Flag"
Paints and Varnishes "The Little
Blue Flag"
for your house, barn,
wagons, carriages,
floors and wood-
work. Let us ex-
plain to you.

PORTLAND NEWS LETTER

Portland, Ore., Oct. 5.—Special cor-
respondence.)—The numerous Hearst
publications have been personally rep-
resented throughout Oregon and
Washington recently by Ray Washing-
ton Taylor, who is writing a series
of articles showing agricultural, in-
dustrial and horticultural actualities
in this portion of the United States.
Mr. Taylor is on the staff of the San
Francisco Examiner, but his stories
will be printed in all the Hearst pa-
pers.

It is rumored that the fruit brokers
of New York city got together recent-
ly, had a midnight meeting down in
the subway, and decided that they
were not going to pay fancy prices
for Oregon and Washington apples.
There was at least one commission
man who did not attend this meeting,
however, and he went to Hood River
and bought 80,000 boxes. A grapevine
telegram says that 150,000 more have
been sold and eastern commission men
have been plentiful in the Yakima,
Freewater, Rogue River, Grande
Ronde, Wenatchee and other fruit
producing sections.

Hon. John Barrett, director of the
International Bureau of American Re-
publics at Washington, D. C., who was
in attendance at the National Irriga-
tion congress last week in Albuquer-
que, will be present at the Trans-Mis-
sissippi Commercial congress at San
Francisco, then comes north for a visit
to points in Oregon and Washington.
His addresses will be non-political and
will deal with the creation and foster-
ing of the trade of the Pacific
coast with South America, a subject
upon which he has bestowed special
attention.

The people of the northwest, but
particularly those of Portland, were
not entirely satisfied with the attend-
ance at the show of the Portland
Country Club and Livestock associa-
tion, and immediately upon the close
of that meeting a canvass was com-
menced for 1909 season tickets. The
success of this campaign has been
phenomenal. The tickets are \$5 each
and it is proposed to sell 5000 of them
—from the present outlook this can
be accomplished without any trouble.
It is the intention of the committee to
have special guaranteed trains from
points throughout Oregon, Washington
and Idaho, to bring an attendance, in-
cluding those from this city, of 150-
000.

Both Friday and Saturday nights
trains took big delegations of people
from the Pacific northwest, to attend
the conference of Coast Commercial
bodies to be held in San Francisco this
week, and also to participate in the
Trans-Mississippi Commercial con-
gress.

THAT'S AT FERGUSON'S.

MEN WORK WELL

Entire Football Squad Put on the Fir-
ing Line Last Saturday.

Practically every member of the
high school football squad, who has
any chance to make the first team,
was given an opportunity to show
what he could do under fire, last Sat-
urday afternoon, when a pick-up team
from Island City was given an easy
drubbing on the ball park grounds,
score 20 to 0 in favor of La Grande.
Fifteen points were scored in the first
half, when the regulars—or what will
probably later be the regulars—were
in power, but in the second half La
Grande's inexperienced and light men
were seen on the line of battle.

The coaches were given the opportu-
nity they sought. They now know
individual faults and collective weak-
nesses. In the time intervening be-
tween now and October 17, when Baker
City comes here, every conceivable
"stunt" will be worked to a per-
fection that for the first time in many
years the locals can say they bested
Baker City.

Must Pay Up.

All persons knowing themselves in-
debted to the undersigned, are hereby
notified to call at my old stand on or
before October 16, and settle by cash
or note, as on that date I am com-
pelled to close my books, and will have
no permanent office. By complying
with the request you will confer a
great favor upon me.

Excellent Health Advice.

Mrs. M. M. Davison of No. 379 Gif-
ford Ave., San Jose, Cal., says: "The
worth of Electric Bitters as a general
family remedy, for headache, bilious-
ness and torpor of the liver and bow-
els is so pronounced that I am
prompted to say a word in its favor,
for the benefit of those seeking relief
from such afflictions. There is more
health for the digestive organs in a
bottle of Electric Bitters than in any
other remedy I know of." Sold under
guarantee at Newlin's drug store. 50c.

Stimulation Without Irritation.

In case of stomach and liver trou-
ble the proper treatment is to stimu-
late these organs without irritating
them. Orino Laxative Fruit Syrup
aids digestion and stimulates the liver
and bowels without irritating these
organs like pills or ordinary cathar-
tics. It does not nauseate or gripe
and is mild and pleasant to take. A.
